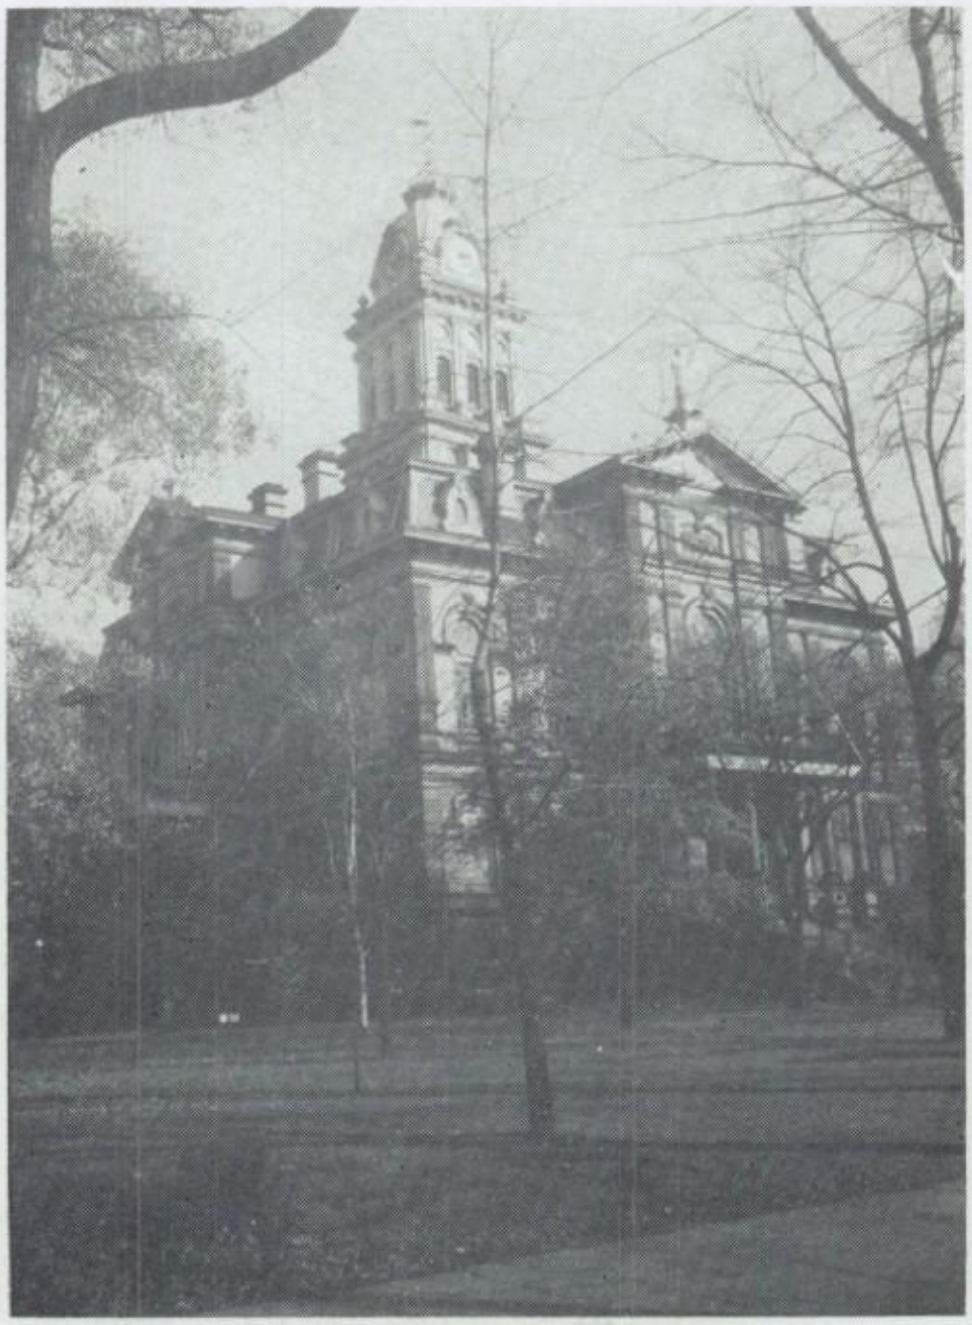
FOREWORD

In the fall of 1951, Mr. Ben B. Hoover called together representatives of a number of organizations in Newark to discuss the possibility of a fitting recognition of Newark's sesquicentennial in 1952. As its contribution to the significant event the Annual Staff concluded early in the school year to make the city's one hundred and fiftieth birthday its theme. The staff therefore is happy to present to the student body and to the citizens of Newark the fruition of its efforts. At the same time it wishes to express special appreciation to Mr. Robbins Hunter, Jr., and to Mr. J. T. Haynes for the use of pictures and information which they generously contributed. Pictures of schools are from A Short Centennial History, by Gordon R. Kingery. Members of the Reveille believe that as years pass the pictures and captions contained herein will prove of greater value and interest to the person who chances to leaf through the pages of this book.

DEDICATION

This book is dedicated to the people of Newark today and to the memory of its deceased citizenry—all who have contributed and cooperated to make Newark a progressive community on its sesquicentennial birthday.



The Court House was built in 1876. In 1879 the top burned and had to be replaced.

The old Court House was erected in 1832. It burned on April 3, 1875.

An air view of the mounds at Moundbuilders Country Club. These prehistoric earthworks draw many thousands of people to Newark each year.

Around the Square

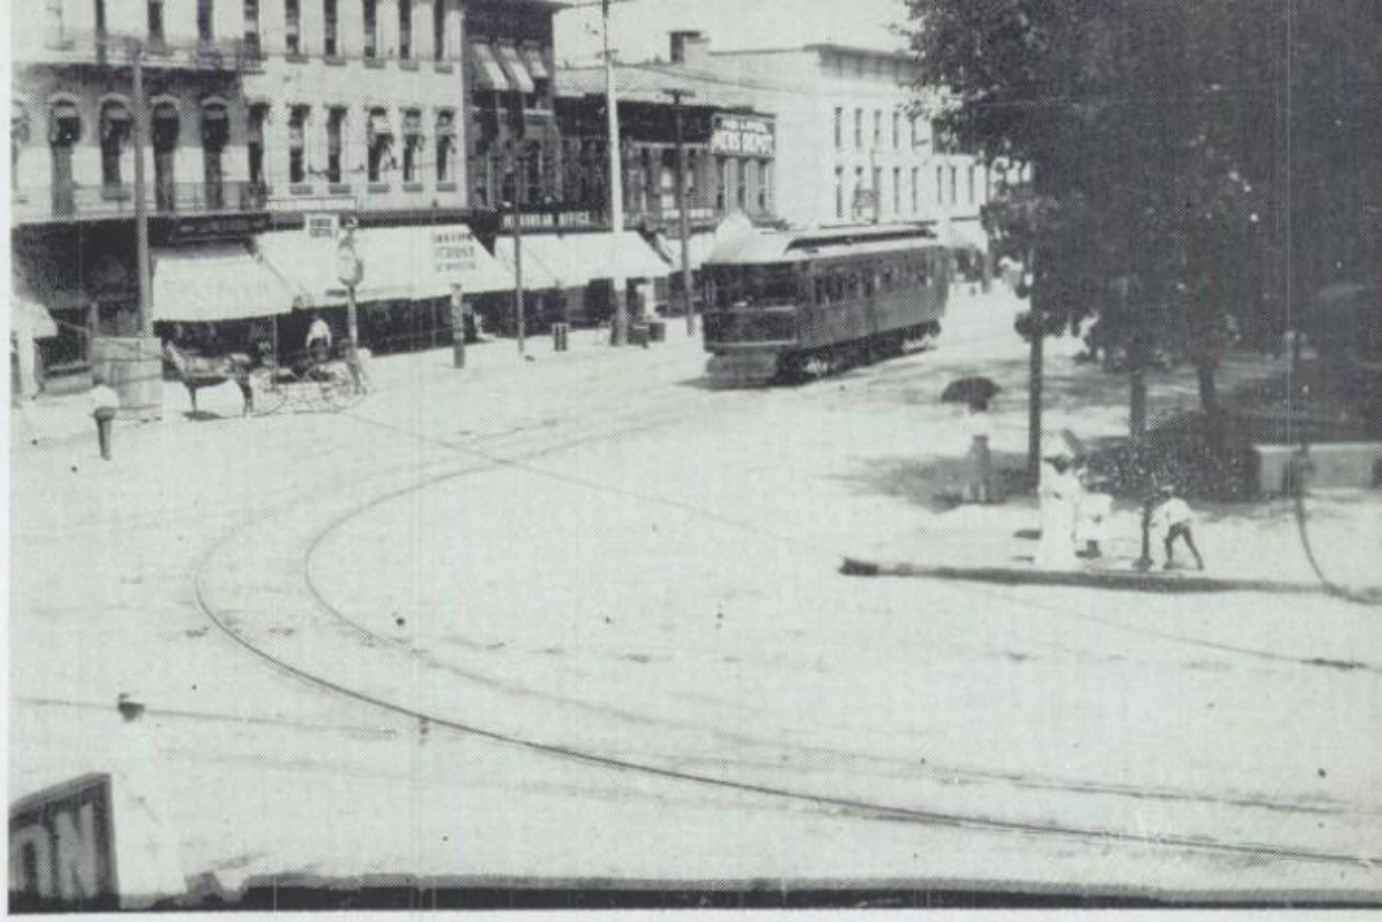
This picture of East Main Street was taken prior to 1898, for the old bridge, which can be seen in the background, was washed out that year. One is also able to note that there are no tracks leading into the interurban station and that the old Episcopal Church—later Lutheran—is still standing.

This picture is of the north side of the Square as viewed from the top of the Court House, prior to 1898. One can see the steeple of the old First Presbyterian Church to the far left. This steeple was not the original one.

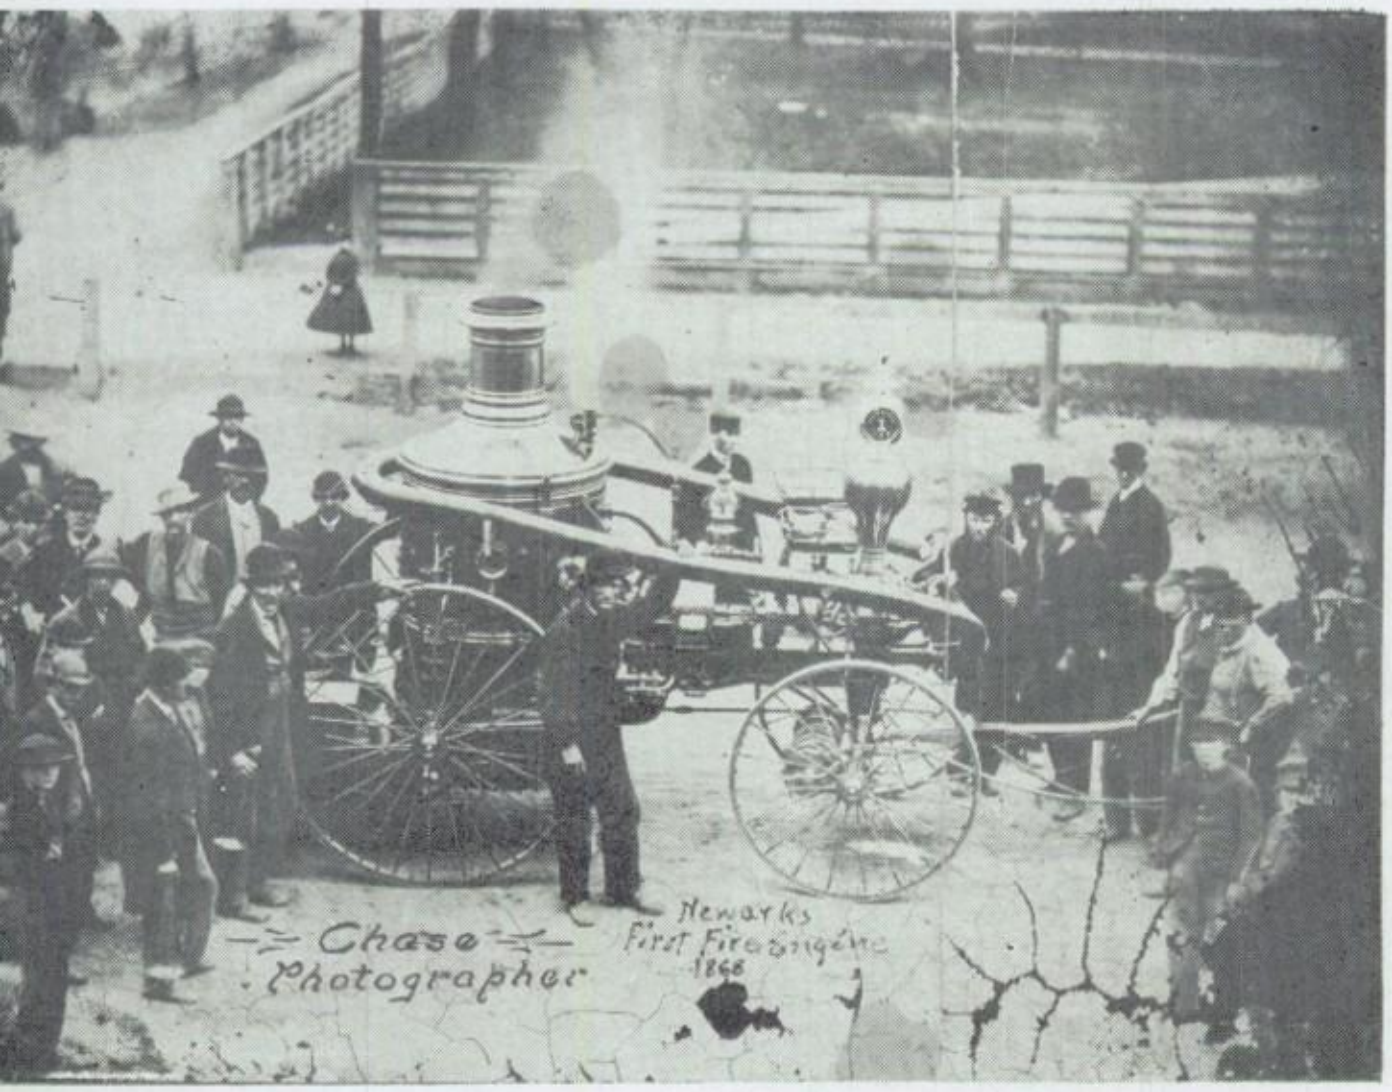
This is a view of the north side of the Square looking westward. The building on the corner, now the site of the Midland Theatre, was erected in 1815 and is thought by some to be the first in Newark. Pataskala Hall was on the site of the Newark Trust Company. Dances were held upstairs.

Murray House was a hotel built in 1858 on what is popularly known as the Hall Corner, across the street from Kresge's.

This picture of the Woolworth corner, known by older citizens of Newark as the Roe Emerson corner, was taken in 1890.



At one times it was a familiar sight to see an interurban rounding the Square heading for Columbus, Granville, or Buckeye Lake. This picture was taken in 1915.



Pictured here is Newark's first fire engine. The picture was taken in 1868. In the background may be seen the old fence around the first Court House.

This scene looks southward on South Third Street toward the canal and railroad beyond.

Along the Canal

This is a view of the Ohio Canal between Second and Third Streets, looking westward. It is the present site of the Moore warehouse. The first building to the left still stands and is the Fleek Wholesale Grocery Company. The second building from the left, still standing and constructed of brick, was erected in 1858 by Luke Warner and Willis Robbins. A banking office and storerooms occupied it. There was a newspaper office upstairs. The third building to the left was the Warner frame warehouse.

The turning basin on the canal was located at the present site of the Rapid Transit bus garage on Canal Street just south of the east wing of the high school. Here afloat can be seen one of the boats. This picture was taken around 1895.

This picture of the canal looking southward from the railroad bridge at the Newark Stove Company was taken around 1900.

This aqueduct led across Racoon Creek just south of West Main Street Bridge. Water leaking from the canal into the creek made quite a roar. In the background was the Simpson Soap Factory. The picture was taken about 1900.

Skating on the canal was a major winter sport.

This picture shows men cutting ice from the canal for commercial purposes. In the background may be seen the tower of the old high-school building.

Here is a picture of the canal taken at Eighth Street, looking toward Sixth Street.

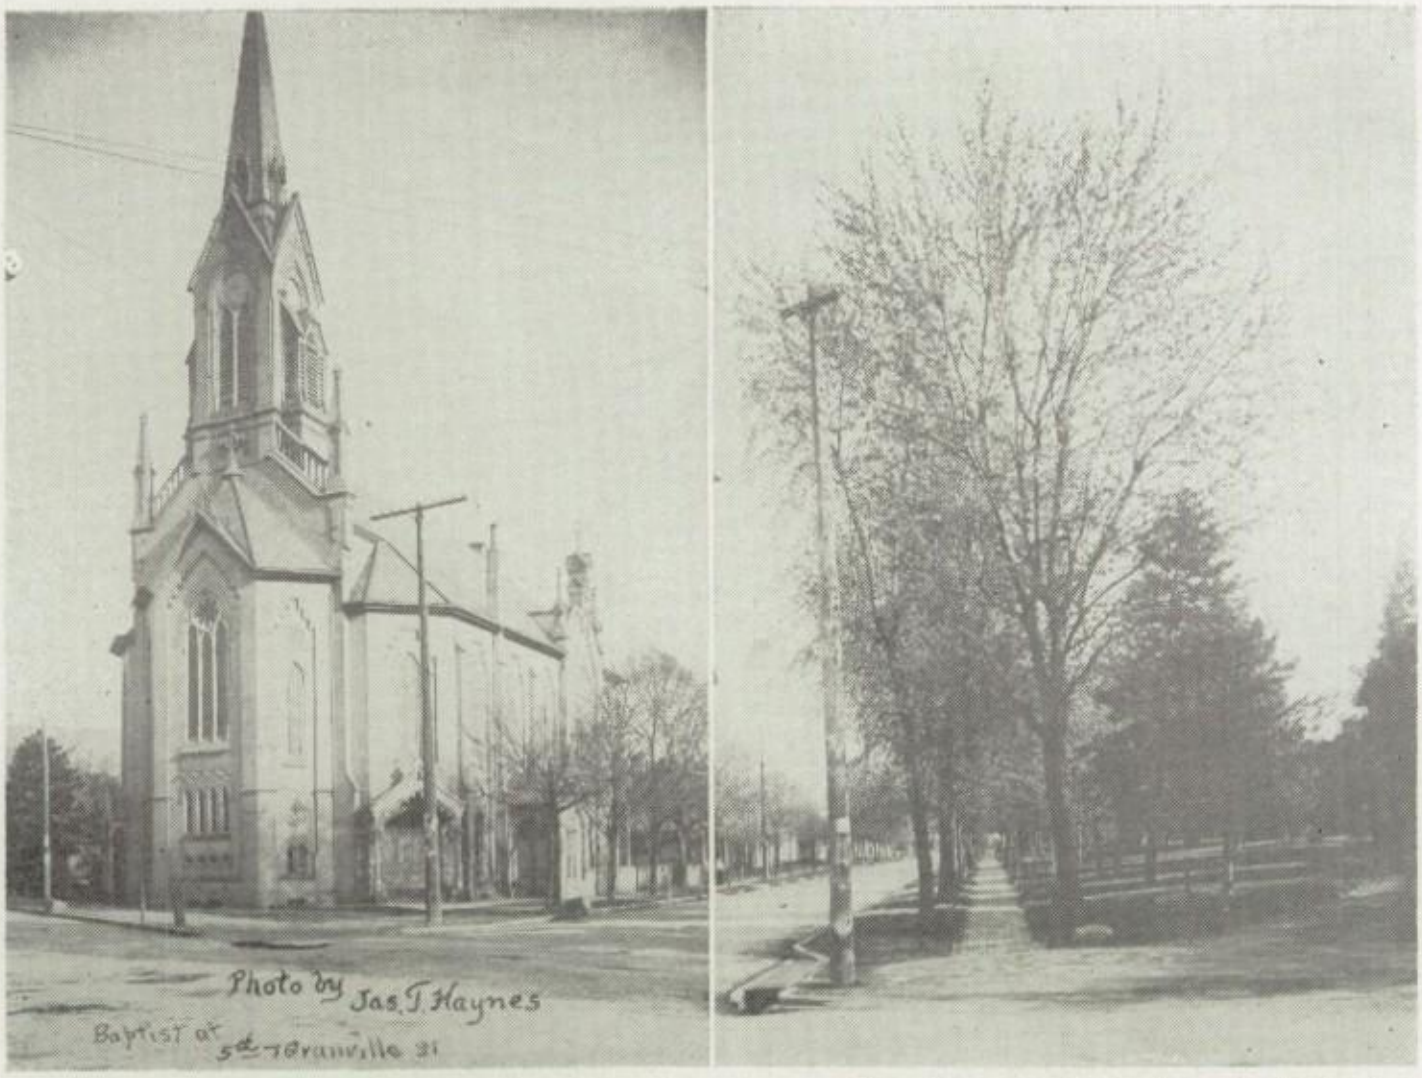
This view of the canal points southward toward the railroad bridge at Union Street. The date was 1900.

Idlewild Lake was located just west of the present Moundbuilders State Park. Boating and swimming were regular attractions. In addition, it offered regular summer theater and a stock company.

Church Landmarks

The Presbyterian congregation was the first religious group in Newark and met in a building on the Square as early as 1809. The building above was erected between 1832 and 1834 and shows the original belfry. It stood on the site of the present First Church. The building to rear was the old high-school built in 1838. It was a two-story frame building and was used until Old Central was erected in 1851. The house to the south of the church was the Silas B. Woolson home.

This Episcopal church was erected in 1834. When the Episcopal congregation moved to its new location on Main and First Streets, around 1890, St. Paul's Lutheran congregation purchased it. When the Episcopalians left the building, however, they forgot to take their bell; consequently, the bell in the new St. Paul's church is the old Episcopal bell. Part of the tower of this old edifice may be seen jutting above the structure housing the Hudson Motor Sales.



This First Baptist Church was on the site of the present edifice. It was built in the early 1870's but was razed because of unsafe walls.

The Central Church of Christ was erected in 1950. The first service in the church was on March 18, 1951. The day was Palm Sunday. Mr. John C. Updegraff was clergyman.

St. Paul's Evangelical Lutheran Church was erected on the corner of Locust and Fifth Streets during 1950-1951. First service in the church was on November 11, 1951. Mr. C. M. Danford was clergyman.

This building was erected in 1885.
It was razed in 1939 to make way for
the present east wing.

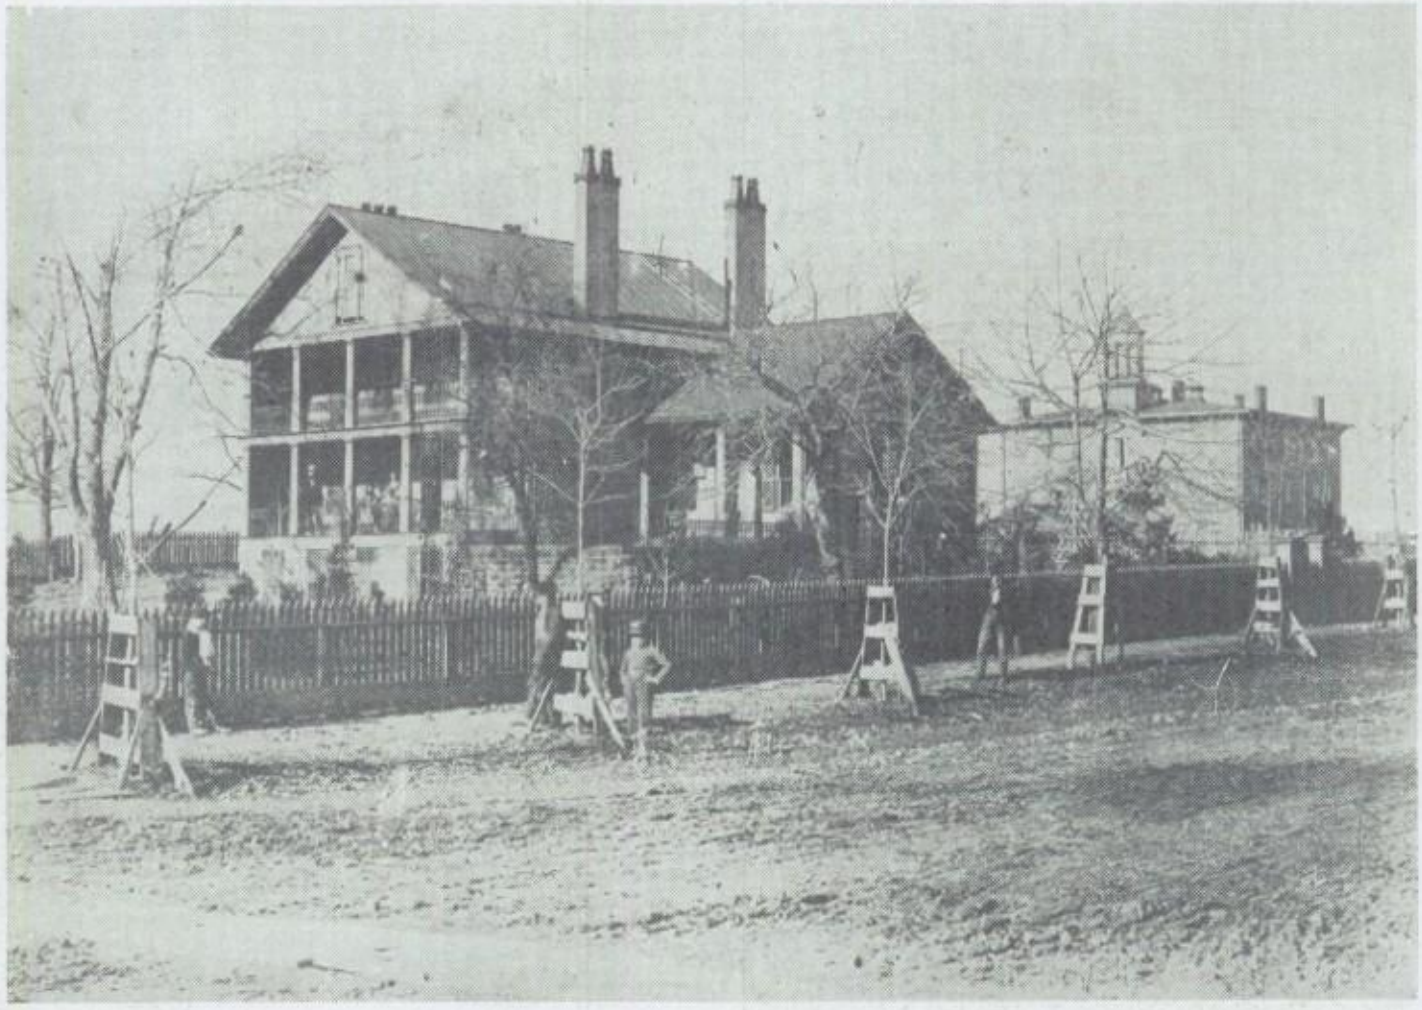
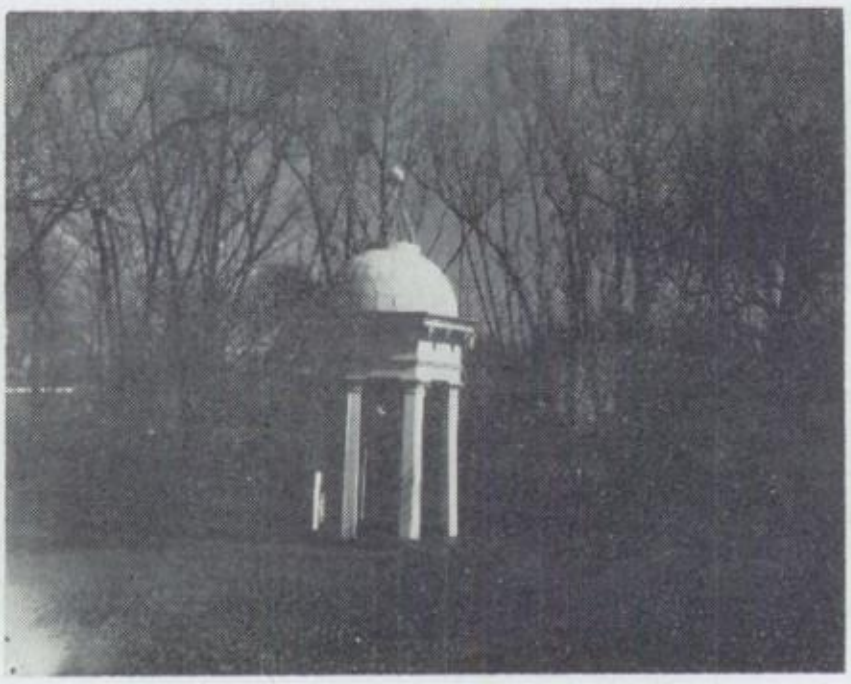
Newark Through the Years



The Wright home stood on the site of the present high-school gymnasium on Fifth Street and was occupied by General George B. Wright. The house was built some time during the 1840's by a Mr. Taylor. The picture was taken in 1858. In the background may be seen Old Central along Church Street.

The Star Bakery, two doors west of the present high school, was run by Mrs. John Adams, sister of Johnny Clem, the drummer boy. This bakery was flourishing in 1908.



This is the bell tower of Old Central. It is now the property of Robbins Hunter, Jr., and is in Granville, Ohio.

The Leist and Kingery Bookstore was located at 34 West Main Street. The store opened its doors in April, 1914. David R. Kingery sold his share of the business to Hans Harvey Leist in 1932. The store operated about a year longer. In the picture are Ethel Daugherty, Mildred Timpson (now principal of Mound School), and David R. Kingery, father of this book's adviser.

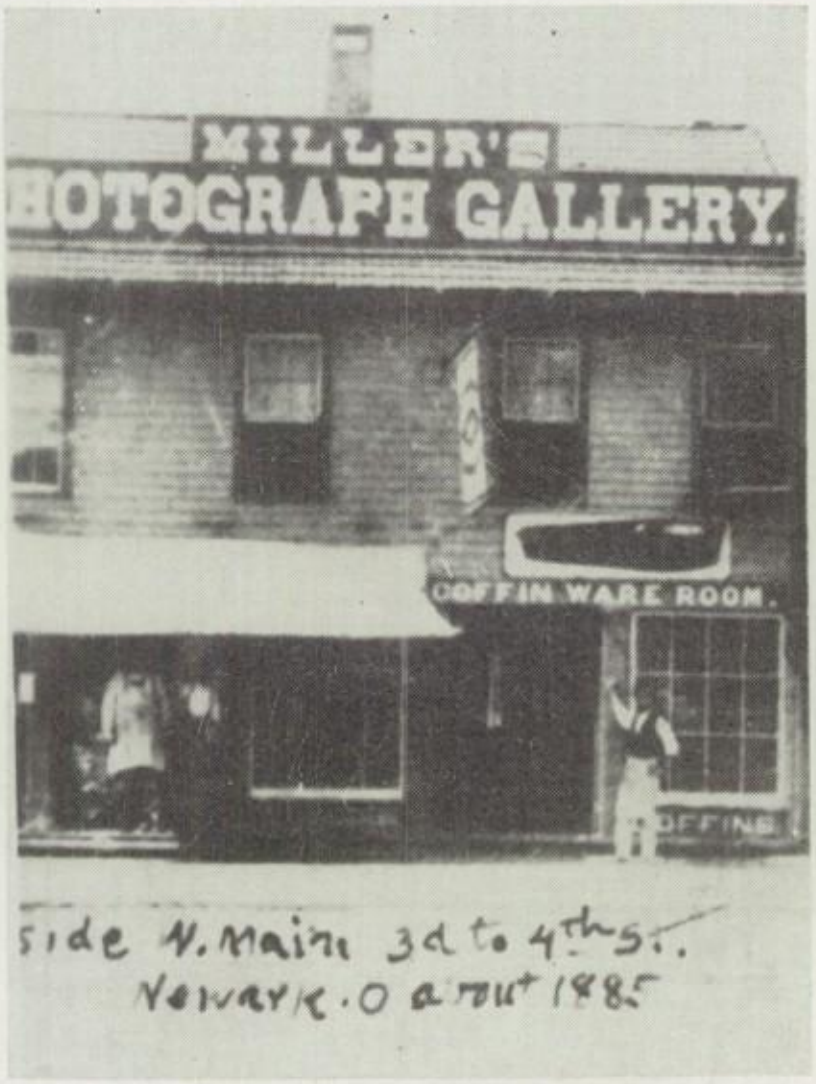
The picture presented here is the present site of Airesman Electric Company. The house in the foreground is the Asa Beckwith residence, later occupied by the Will King family. The house to the east is the residence of Dr. Charles P. King, brother of Will King.

This picture shows how the present Ohio Power Company warehouse on West Church Street looked until 1929. On the far left is a city car. The street car company operated two types within the city: the one resembling the car above, which looked like small interurbans, and more conventional-looking yellow ones. Other cars in the picture are interurbans of the CN&Z.

This is Buehler's Point at the junction of Eleventh, Main, and Union Streets in 1900.

Taken at Eleventh Street, looking toward Eighth Street, on West Main, this picture shows the tree-lined street before houses were erected. The Beuhler slaughter house was to left outside range of picture.

This is the same view between Eleventh and Eighth Streets on Main after houses were erected.



This old gallery was on the site of the present Hare & Heatwole shoe store or Gage Hat Shop. It was taken in 1885. Note the coffin store.

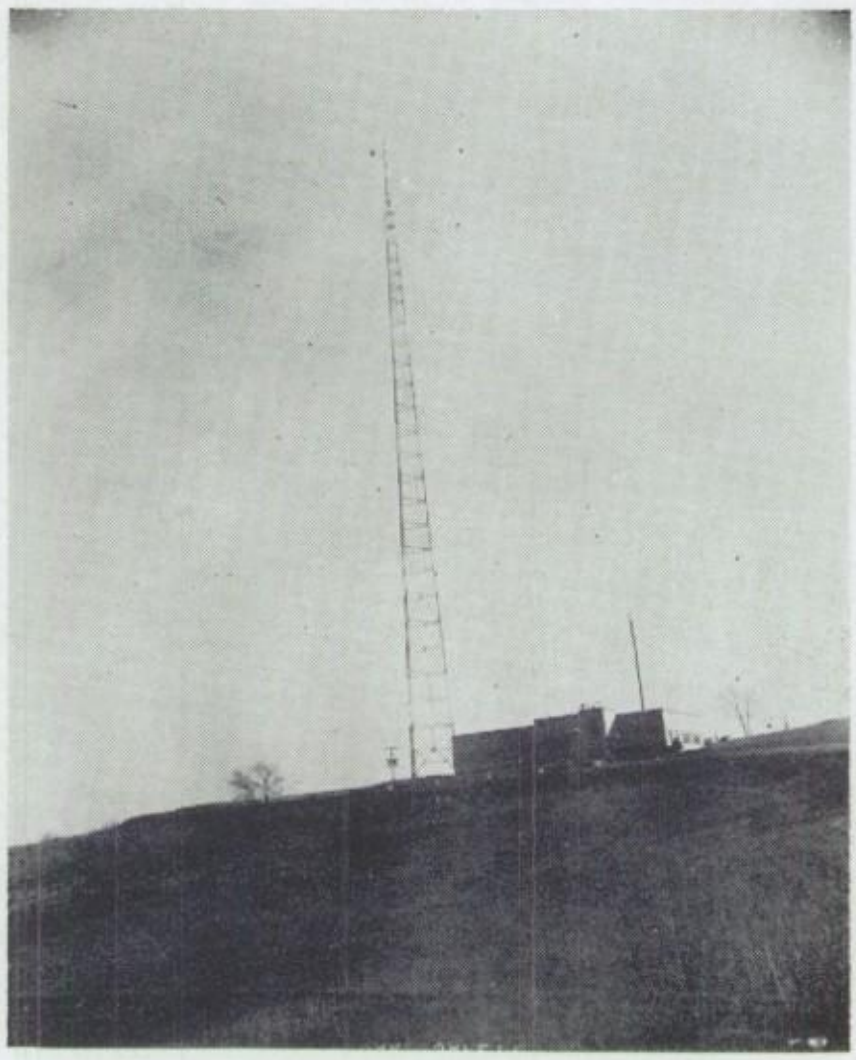
This building, now the property of Robbins Hunter, Jr., and in Granville, was built in 1845 by A. J. Smith. It was the first state bank in Newark. At one time it had deposits of over $300,000. The bank closed its doors in 1851. At one time it stood north of the Buckingham House opposite the Elks Club. Later it was moved to the south of the Buckingham property and was used for storage. It was taken from this site to the Hunter property.

Newark's city building was erected in 1854. It still is the home of city offices, City Council, Municipal Court, central fire station, and election board.

CITY COUNCIL

Left to right: J. T. Mendenhall, Leo D. Bader, A. B. Painter, Fred Kirkpatrick, Robert Church, Nye A. Schofield, Ben E. Swan, David Walker, George Norman.

Seated in front, George A. Kappler, clerk of courts; seated in back, Clint E. Comer, president of council; standing to right, J. W. Swank, mayor.



Radio Station WCLT went on the air for the first time August 5, 1947. During July tests only were made.

Newark's library was erected in 1949. It was formally occupied September 21, 1950.

The Memorial Building, popularly known as "The Auditorium," was erected in 1895.

The Davidson House, which now stands in Sixth Street Park (the Old Cemetery) and is the home of the Historical Society, was constructed sometime between 1812 and 1815. It was formerly located on the northeast corner of Church and Third Streets. In the spring of 1948, however, it was moved in two sections to its present site by Vogelmeier. The house was presented to the society by the Lazarus Company of Columbus, Ohio, which had purchased the land upon which the house rested. This structure was one of the finest built in the Ohio Valley at that early time. A Sherwood family occupied it before the Davidsons.

This picture of the local historical society was taken in the parlor of the Davidson House. The table is part of the bequest of Miss Bess Larkin to the society. Seated from left to right are Robbins Hunter, Jr., Laura Beggs, Mrs. Richard Fatig (vice-president), Harry D. Baker, Mrs. Fred Palmer, Fred Palmer, Richard Fatig, Mrs. Frank Webb, and Clarence R. Each year at Roosevelt School a group of ninth grade boys is organized to serve as chair squad for the year. This year the boys who are serving volunteered their services and have done a very good job. Their captain is Bruce Wilson.

The duty of these boys is to put the chairs on the floor and then remove them later, whenever any meeting is held which requires the audience to be seated in the chairs on the floor, so that they may be closer to the stage. It involves a great deal of extra time and those who serve on the squad are doing a service to their school.

The boys work under the direction of Mr. Leonard Wilhelm, physical-education instructor at Roosevelt School. Mr. George Richey, custodian of the school, works with Mr. Wilhelm and the members of the squad.

Dramatic productions are always encouraged by Mr. Lester B. Cox, principal, who feels that they are one of the happiest group activities.

Each year three major productions are arranged: A three-act play, at Thanksgiving time, the cast of which is selected from members of Prop and Cue Dramatic Club; an all-boy minstrel, produced near St. Patrick's Day, with the chorus selected from the Boys' Glee Club, and interlocutor, endmen, and casts for skits from the boys of the entire junior high school; a ninth grade three-act play, given at the end of the year. "Our Miss Brooks" has been chosen by this year's class.

Students entering junior high school are given an opportunity to try out for Stage and Curtain, a seventh grade dramatic club, sponsored by Mr. Warner Wolverton. Eighth and ninth grade students interested in dramatic work try out for Prop and Cue, sponsored by Miss Margaret Hutchinson. In the weekly meetings of these clubs skits, pantomimes, and plays are portrayed to encourage better expression and understanding of stage business. Each dramatic club presents a one-act play or pantomime in assembly during the year.

For Cum Laude, a high scholarship club, Miss Ava Ballou, the sponsor, writes and produces each February a clever initiation play. This year Sesquicentennial events were featured.

At Commencement an award, called the Skull, is presented to the ninth grade student who has demonstrated outstanding dramatic ability while in junior high school.

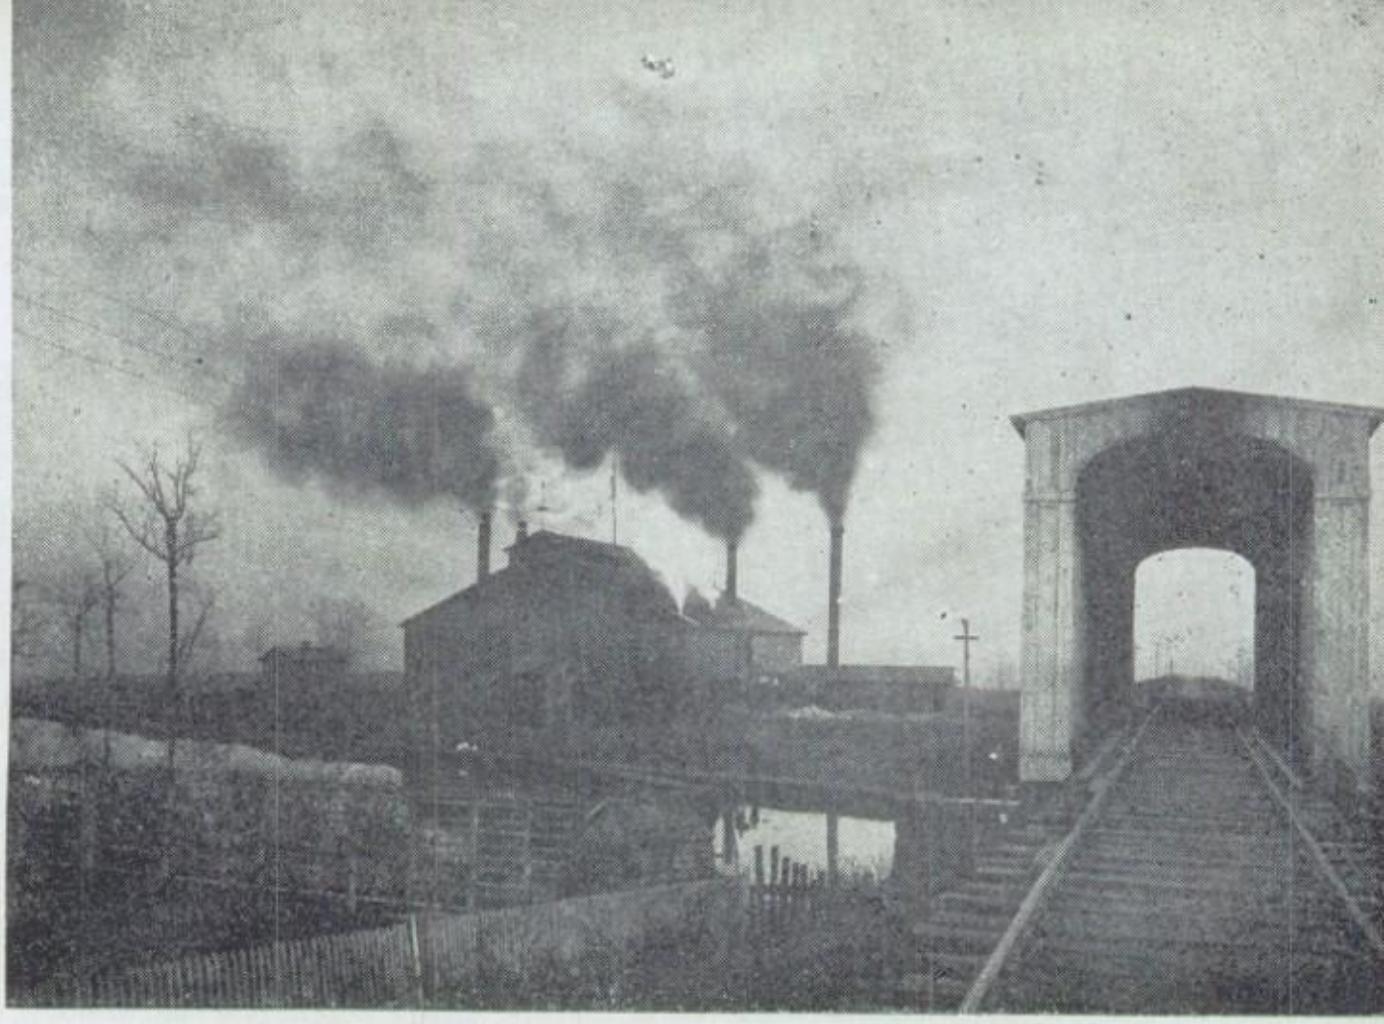
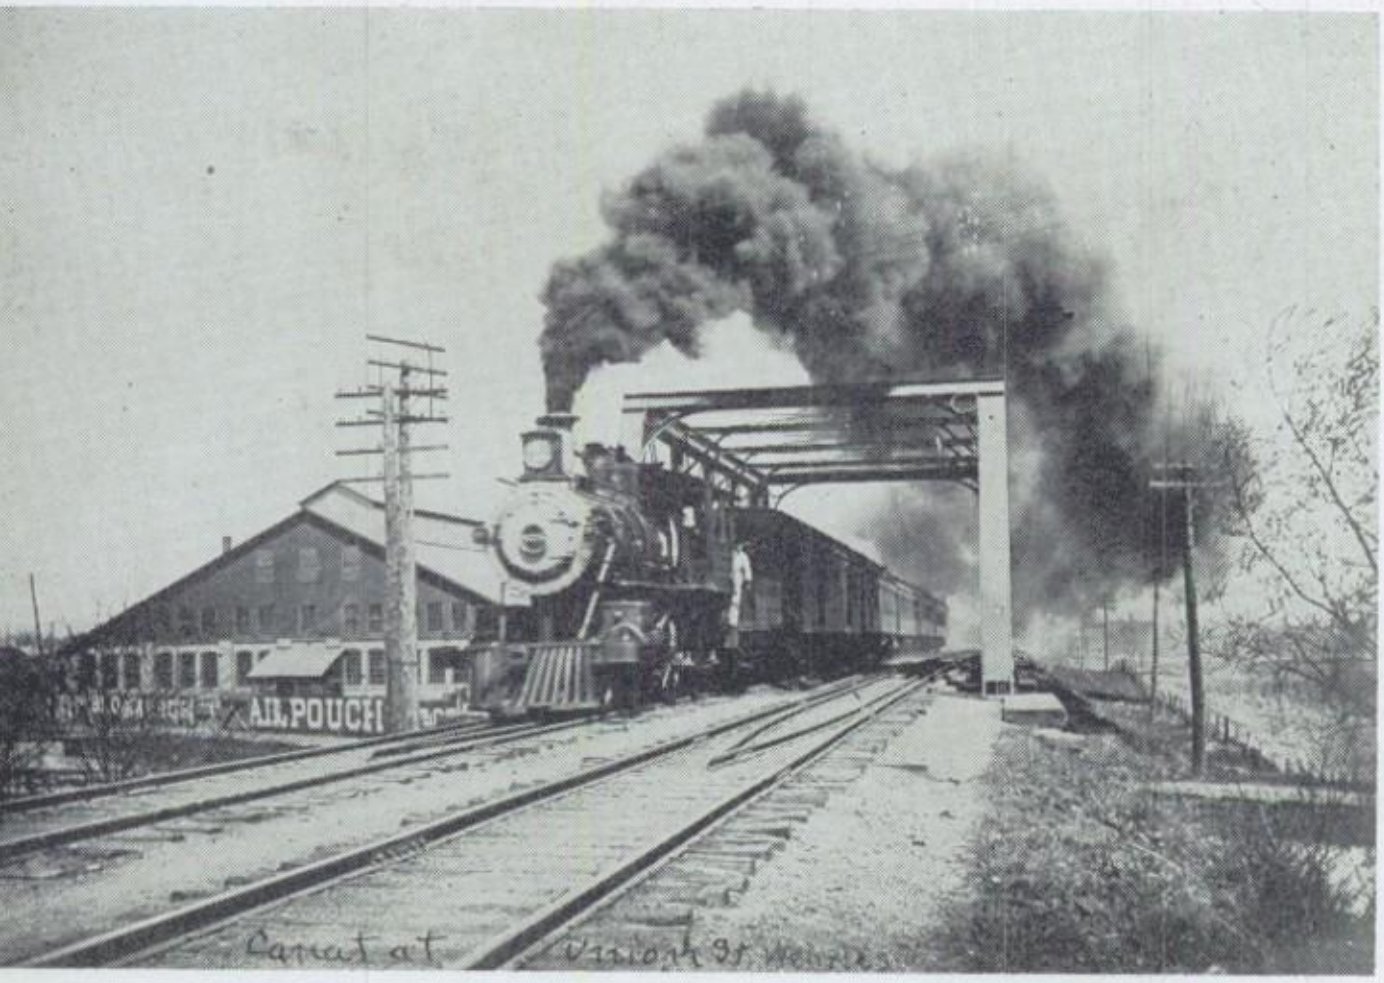
Music is an important activity at Lincoln Junior High School. Members of the ninth grade boys' glee club and the girls' chorus unite their efforts in the production of the annual operetta. This year the tuneful **Gypsy Rover** was given. The pupils are soloists or leading members of the cast. Miss Mary Hastings is the director of music at Lincoln School.



At one time there was a rolling mill on the site of the later Wehrle building north of the railroad track. The viewer will note the covered bridge and single track. This picture was taken in 1869.



This picture was taken at the same site as the one above, but in 1900. The old rolling mill has been replaced by the first structure of the Wehrle Company and the bridge now has become steel. Another track has been added.

Fifty years later—March, 1952 — Diesel engines pull heavy trains past the same site.

The city of Newark itself gave the **Reveille Annual** its theme this year. The school annual is published to replace the bulky scrapbooks kept by individual students. Nevertheless, the yearbook is more than a collection of names and pictures, with an occasional write-up included for good measure; it is a record of the school year. The annual is not only intended for the graduating class but also for underclassmen and citizens who are interested in school life or who sense the historical significance of such a publication. Its chief value, however, is its personal characteristic, with its pages full of names and faces, scenes and events of daily school life—items that alumni love to recall years hence. The theme, which gives the book unity, is a device that harmonizes artwork, photography, articles, and general design.

The annual staff is under the direction of Gordon R. Kingery. It is composed of juniors and seniors, chosen during the sophomore year to serve for two years, and consists, this year, of seven members. They have attempted to produce a volume that editorially and pictorially would give an accurate account of the school year. Members met the seventh period each day.

BUSINESS STAFF

Row 1—Carol Scott, Virginia Heatwole, Sally Willey, Maxine Dowling, Sue Denman, Jetta Atkinson, Linda Moore, Betty Hupp, Virginia Evans, Miriam Neibarger. Row 2—Barbara Duffee, Shirley Foit, Helen McIntosh, Mary Goldsmith, Marietta McRee, Nancy Smith, Judy Linebaugh, Marlene Baker, Marlene Williams, Patricia Deenis, Ruth Bieberbach, Virginia Jeffres, Lydia Oxley, Marlene Reichley, Mary Jo Williams. The Business Staff was organized the last of November to solicit advertisers for the **Reveille Annual.** Each member was assigned several advertisers whom he personally saw. The soliciting of ads and collecting of money was a valuable experience. Through this contact with the business world, the student developed the ability to meet and deal with other people. He also gained confidence in himself.

Since this staff secures advertisements which partly finance the annual, it is in part responsible for the success and quality of the book.

PATRON STAFF

Row 1—Winifred Austin, Miriam Farmer, Lydia Oxley, Mary Jo Williams, Charlene Messick. Row 2—Bonnie Fishbaugh, Maxine Dowling, Mr. George Stoeckmann, Sharon Warner, Patsy Patterson, Marlene Reichley.

The purpose of the Patron Staff is to aid the Reveille Business Staff in financing the **Reveille Annual.** With the help of this organization the annual has been made available at a price which all pupils can afford to pay, although the cost of production has doubled. Each member of the staff has received contributions from various citizens of the community who are interested in the school and the annual. The names of these contributors have been placed on the Patron Page.

The organization was formed after all possible aspects of financing had been studied. Mr. Stoeckmann is the adviser for the group, which is in its fourth year of existence.

At the beginning of the year, these room agents interview each member of their home room to solicit subscriptions for the **Reveille News.** During the second half of the term they solicit for the **Reveille Annual.** In addition to distributing these publications, they collect class dues and other school-sponsored funds.

This organization is supervised by Mr. George Stoeckmann.

The other duties of the staff include writing articles concerning school activities for the **Newark Advocate**—thereby keeping the townspeople informed on activities at N. H. S.—and keeping the main bulletin board on the second floor posted with coming events.

In order to receive a half credit for the year's work the class studies a standard journalism textbook and uses the **New York Times** as a basis for its daily work in current events.

The subscription price for the paper is twenty-five cents a year, including the special issues at Christmas and commencement. The staff is under the direction of Miss Bertha L. Crilly.

CONTEST SPEAKING

The contest speaking class was organized in 1948 for the purpose of teaching speech for contest or tournament work and local program engagements. Training in humorous, dramatic, and oratorical declamation work as well as extemporaneous speaking and original oratory has been offered students.

During the 1951-52 school year students—Carma Acklin with a dramatic declamation, Nina Bowden with a humorous declamation, John Beckman with an original oration, and Carol Scott with a humorous declamation—have attended tournaments at Springfield, Wadsworth, Delaware, Columbus, and Bowling Green State University.

At Delaware, Carma Acklin received the first-place medal; at Columbus she and Carol Scott both took first place in their respective fields at the Ohio High School Speech League District Tournament. Later at Bowling Green State University all the students qualified for the final round—the championship round—at the National Forensic League District Contest, and Carma Acklin was first-place trophy winner with her dramatic reading "The Little Foxes." She and Carol Scott, having earlier qualified at the district tournament at Ohio State, entered the finals at Columbus, March 14. Carma received fourth place in the State of Ohio.

All students earn points in the National Forensic League. Nina Bowden, through her extensive program appearances and contest participation, has the highest number of points ever earned by a contest speaker. However, no scholastic credit is given this course.

In April the students also entered a play in the district competition at Muskingum College.

On April 3, the sophomore debaters presented a panel discussion on the question Resolved: that a program of competitive junior high football should be adopted in Newark. In January the varsity squad presented two programs before local organizations, the Kiwanis Club and the Coterie Club.

In the spring, the sophomores presented debates before the ninth grades of each of the junior high schools.

The varsity debaters appeared on the television show, "Youth Has Its Say," on WTVN. Early in the year Kelly Goss appeared with Columbus students in a panel discussion on Middel Eastern Affairs. On April 6, Ron Holdbrook and Ron Richter upheld the negative side in a debate with Columbus East on the question, "Should religion be taught in the public schools?"

Another high point of the year was the debate assembly on February 26 At this time members of both squads were introduced, a debate presented, and activities for the year were reviewed.

This year for the first time the chorus met every day as a group. By so doing, each member earned one-half credit. From this regular class members were chosen for the Chapel Choir. Each applicant for the Chapel Choir had to be able to sing his part independently and accurately, and to retain membership he had to receive an A in chorus each six weeks.

The chorus participated in many activities this year. In September the full chorus sang for a chapel and the quartette, composed of four members of the senior class, entertained the Marion Business and Professional Women's Club in Marion. A selected group from the Chapel Choir sang for the Shrine Club's Ladies-Night Christmas program in December. In February a group from the chorus attended a music festival in Delaware. The Chapel Choir presented programs for civic organizations and churches throughout the year. On April 1, the choir attended the Ashland District Contest. The climax of the choir's season was the annual spring concert on April 29, which was successfully presented. Mr. Wendell M. Jones was the director of the chorus.

The event featured three important items in the group's history. Mistress of Ceremonies Augusta Lucas announced that the next project of the chorus would be to purchase new robes. In fact, the P. T. A. had given ten dollars towards this eventual purchase. For the concert new risers were used for the first time. These risers were purchased by the group as a project just completed. Row 2—Mr. Edward Stradley, Diane Schonberg, Daniel Stricker, Thomas Reel, Mary Kreager, Eugene Tucker, David Roberts, Francis Halblaub, Robert Updike, and Patricia Greer.

The Sales Organization is one of the school's service groups. Members sell refreshments at football games, the proceeds from which are used to buy needed equipment for the school. Much of the money is given to Student Council; however, contributions are also made to other school organizations which are not self-supporting.

The most important function of the club is to give interested pupils an opportunity to practice selling. It is organized and operated along lines that will give members of the group some insight into the functioning of a going business. The faculty adviser for this group is Mr. Stradley.

SCIENCE CLUB

Row 1—James Watson, Sally Fletcher, Cynthia Tucker, Edwin Stream. Row 2—Adviser Mr. Steinberger, Ronald Holdbrook, John Slayter.

The Science Club consists of members of the student body interested in any or all forms of science. Members study science both as it is taught in classes and as it appears in current articles. The adviser of the group is P. G. Steinberger. The club meets in Room 304 every other week.

Demonstration of scientific principles, speeches by its members, film strips, and other educational material are offered in this club. This year the organization seriously considered improving the sound equipment used in the auditorium.

Clutch Artists is a new organization in the high school this year. The club was organized for the purpose of providing an answer to the so-called hot-rod problem.

During the year the group provided an interesting form of recreation for its members by holding several reliability runs. These runs were open to any student of the high school whether he was a member or not. An aim of the group was to construct a drag strip in the near future which will tend to stop teen-age racing on highways. By this means the desire among young people to speed in automobiles would be directed towards safe and cautious driving through proper approach to the problem.

The club had a combination social-and-business meeting every first and third Wednesday of every month. Mr. Harris, father of Ron Harris, donated a room in his home as a club room.

Officers for the first year of the organization were Tom Dawson, president; Al Lomas, vice-president; Ronald Harris, secretary; and Ed Hammond, treasurer. Donald Jenks was the adviser.

Not in picture Mrs. Stricker and Mr. Boyd

The Newark High Parent-Teachers Association held its meetings every second month on the third Thursday in October, December, February, and April. This year's membership totaled 428.

The first meeting was indeed outstanding with approximately 500 parents attending the open-house back-to-school program.

This being the fifty-fifth anniversary of the national P. T. A., the local unit celebrated with a special program by having Mrs. Herman Luckner as guest speaker, who gave an interesting talk on the founding of the P. T. A. in 1897 with a membership of 2,000. At present its membership has reached the 6,000,000 mark, so this enrollment proves that the organization is on a sound base in bringing a closer relationship between school and home.

The president this year attended the convention held in Columbus.

Contributions were made to Christmas Seal, March of Dimes, and Red Cross organizations. In addition, the association contributed to the needy at graduation time.

Officers for the 1951-1952 year were Mrs. L. M. Schultz, president; Mrs. Wilbur J. Stricker, first vice-president; Mr. Frew C. Boyd, second vice-president; Mrs. J. C. Hepsworth, secretary; and Mrs. G. B. Baker, treasurer.

BAND CLUB

The Band Club met once a month at eight o'clock in the Band Room. A yearbook was arranged which recorded each meeting and announced committees. A program was presented at each session.

The Band Club supported the band by raising money for necessary needs of the student group. In addition, the club helped raise funds during the tag-week this past winter. The picture above was taken at the annual band banquet at Park Terrace, Buckeye Lake.

Officers for the year were William White president; F. E. Strate, first vice-president; Mrs. Clyde Chaney, second vice-president; Raymond Hart, treasurer; Mrs. Earl DeLong, secretary. Advisers were Paul B. Edwards, Frew C. Boyd, and Myron A. Pearce.

Harlow Riley Campbell Ridenbaugh

COLUMBUS CENTRAL

April 10—Quietly, almost silently, Paul Harlow's thinclads initiated the 1951 track season by dropping a meet in Columbus to Columbus Central by a score of 84 to 37.

Paul Haas won two events for the 'Cats. He took a first in the shot put with a throw of 42 feet, 11 inches, and a first in the discus with a toss of 133 feet, 11 inches. Gerald Spiker was declared winner of the mile run after a Central runner was disqualified. John Orr and Richard Harris came in second and third respectively to give Newark a grand sweep in this event. Other Newark Felines who placed in various events were Larry Campbell, George Riley, Jeremiah Steele, John Moore, and Donald Flowers.

LANCASTER

April 17—Paul Harlow's thinclads won an overwhelming victory at North Field, Lancaster, by defeating the Golden Gales 77½ to 38½. The Harlowmen won ten first places at the meet.

George Riley, Larry Campbell, Paul Haas, and John Moore were double winners for the Wildcats. Riley won the 100-yard dash and the 220. Campbell captured both the 120-yard high hurdles and the 180 lows. (The distance of the lows has been reduced from 220 of past years to 180 this year.) Moore garnered a win in the pole vault and tied for first in the high jump. Haas swept both the shot put and the discus. Gerald Spiker toddled in first to take the mile while Kenneth Black trickled to the tape to capture the 880. The 880-relay aggregation, composed of Thomas Balding, Findley Chappelear, Larry Campbell, and George Riley, swept to victory.

LANCASTER

April 24—At White Field, Newark field-and-track participants again drubbed the Golden Gales of Lancaster, this time by a score of 91½ to 26½. Larry Campbell was high-point

man for the Wildcats with 19¼ markers. He won the 120 highs, the 180 lows, the broad jump, and anchored the 880 relay combination. His colleagues in the latter event were G. Riley, Chappelear, and T. Balding.

Riley won the 100-yard dash and the 220. Spiker took the mile run. Steele garnered the 440-yard dash, while Ridenbaugh captured the 880-yard run. Barr, Harris, Chappelear, and Steele grabbed the mile relay. Haas again successfully heaved the shot put and the discus. Bradley and Moore, both of Newark, tied in the high jump.

UHRICHSVILLE

April 28—At the Uhrichsville Relays, George Riley set a new record in the 100-yard dash when he ran the event in 9.9 seconds, one-tenth of a second less than the record of 10 second made in 1938, and one-tenth of a second under the Newark Relays record to date. In addition, Riley finished in the 220-yard dash in the time of 23.4 seconds.

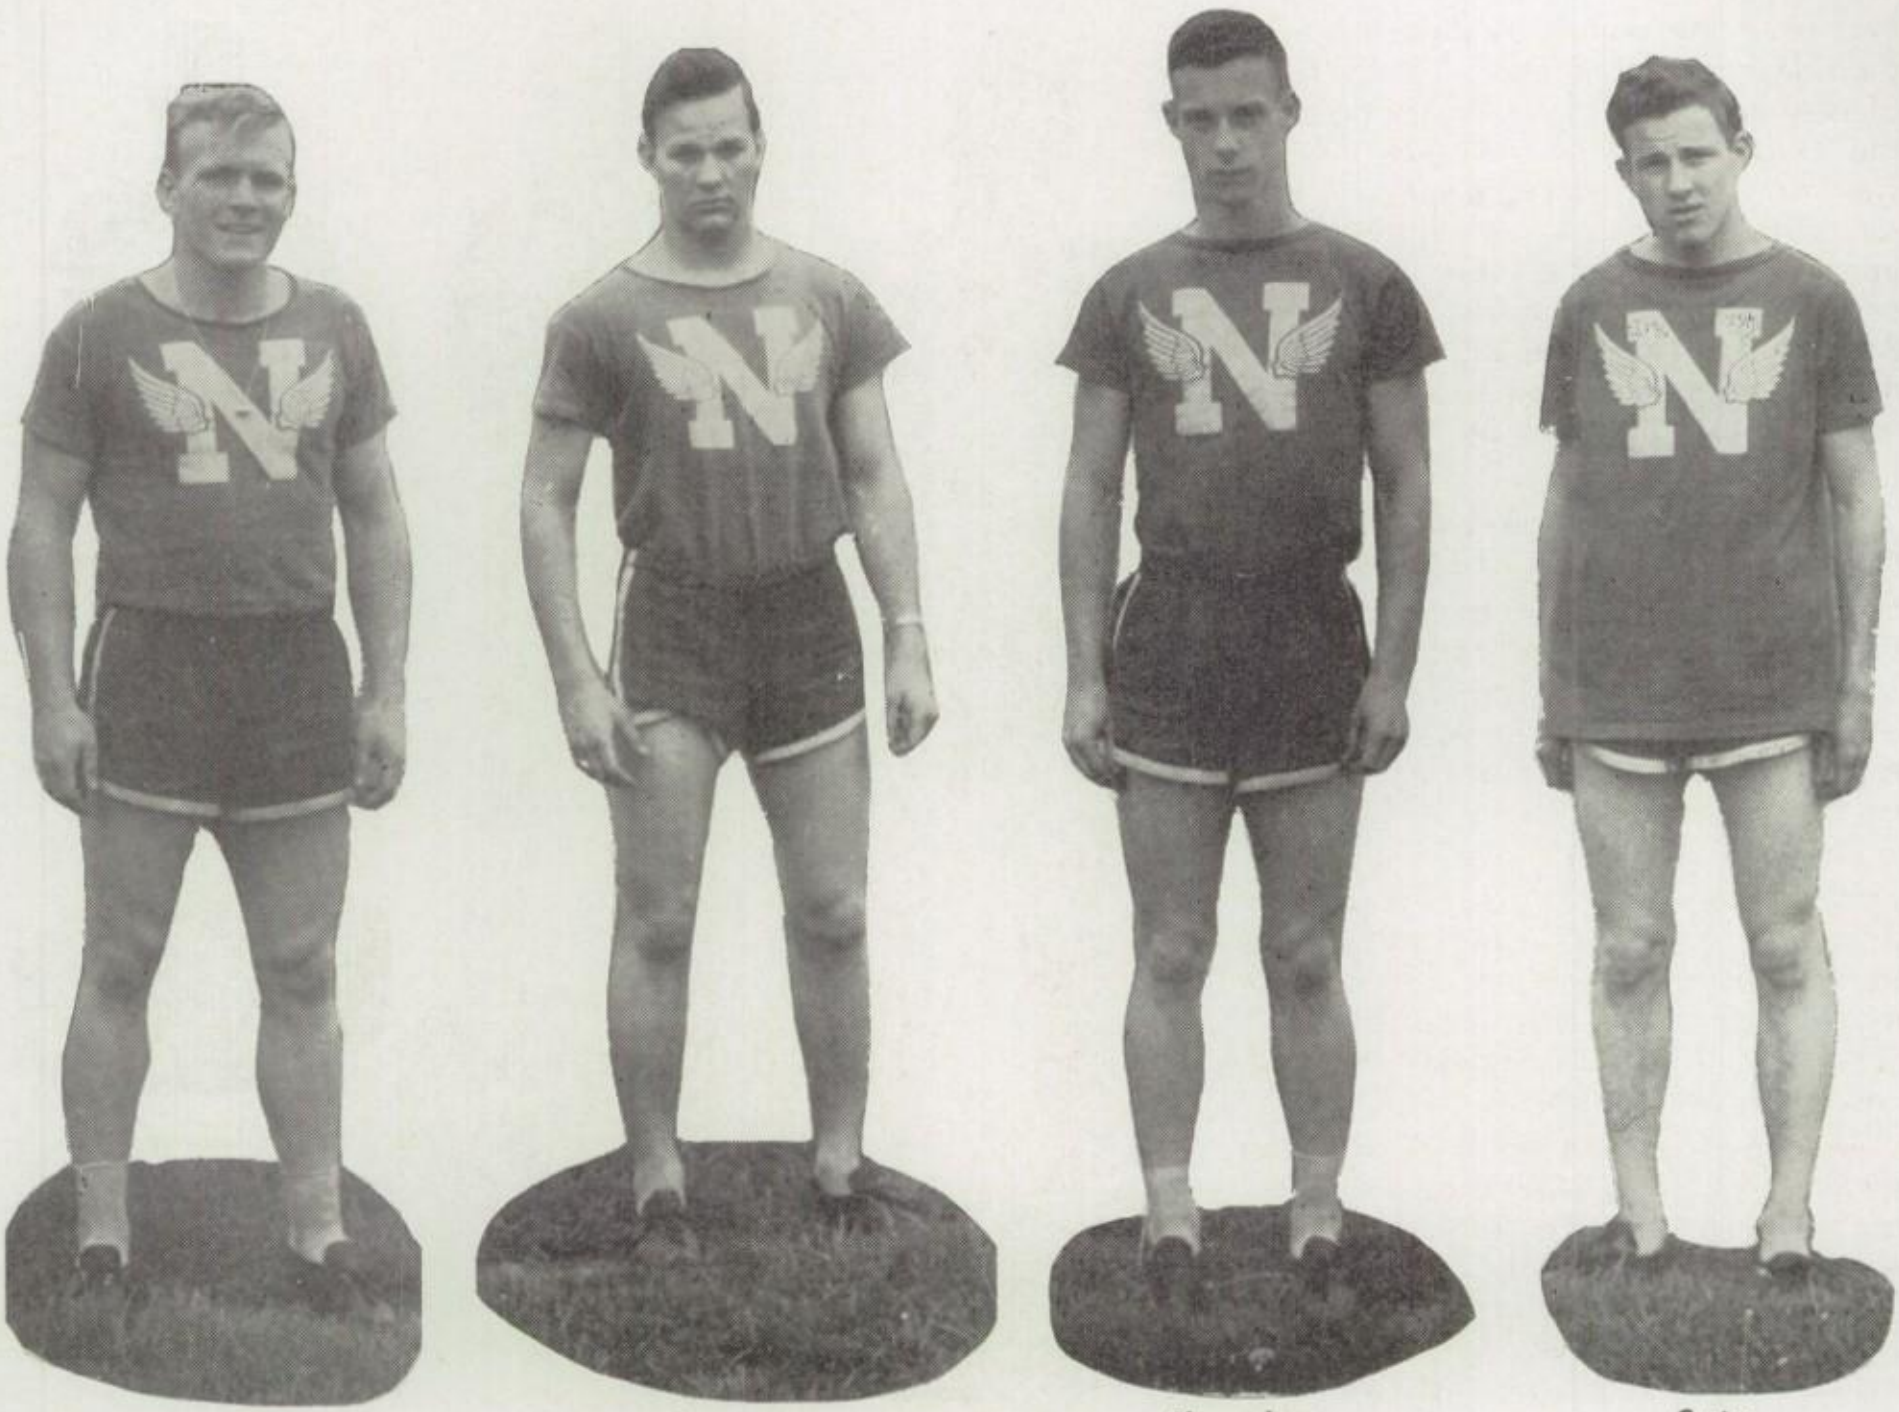
In the high jump Flowers finished second. The half-mile relay team garnered a second, while Campbell placed third in the 220 lows. (Note that the old distance was used at Uhrichsville.) Haas took a second in the shot and a first in the discus. The shuttle-hurdle team captured a third, and the mile-relay quartet, a fourth.

Points accumulated by the Harlowmen gave the Wildcats a fourth in the meet with 39½ points. The Mansfield Tygers won the relays by a score of 81 counters.

NEWARK RELAYS

May 5—Columbus Central captured the field in the colorful Newark Relays, run before a very slim crowd of spectators. Central garnered 76-1/5 points.

Three new records were set during the meet while two others were tied. Beyl Stalnaker of Marietta broke the record in the pole vault in the morning by clearing the bar at 12 feet, 10½ inches, and thereby eradicating the old mark of 12 feet, 8¾ inches set by Frederick Bruney of Springfield in 1944. Alonzo Watson of Columbus Central established a new mark in the 180-yard low hurdles when he was clocked 20.6 seconds. (The distance last year was, of course, 220 yards.) In the high jump, William Truss of Columbus East shattered the 6-feet-1½-



Balding Buxton Chappelear Carter

inch record set by Hutchins of Springfield last year by sailing over the horizontal bar 6 feet, 2 inches. Columbus Central's mile relay team managed to tie its own record set in 1949 of three minutes, 33.9 seconds. William Hairston of Central tied the 100-yard dash mark by trotting off the course in 10 seconds. Hairston also made another repeat: as in last year's meet, he took starring honors by getting 19½ points. In fact, he bettered himself, for he earned only 15 points in 1950.

Newark moved down one position from its 1950 standing, from third to fourth, to collect 26-1/5 points. Riley picked up eight points for the 'Cats by scampering to the finish line second in the 100-yard and the 220-yard dashes. Newark garnered a fifth in the medley relay. Haas took a third in the discus, and Flowers tied for a third in the high jump. Jerry Steele, Jerry Buxton, Larry Campbell, and Findley Chappelear of the shuttle-hurdle team scampered in second. The 'Cats also earned a second in the 880-yard relay.

The running of the classic event marked the twelfth consecutive year at White Field. The weather was fair but windy; nevertheless, the crowd was one of the slimmest ever to view the spectacle.

C. O. L.

May 9—During the Central Ohio League track-and-field meet, Newark's George Riley broke an 18-year-old record when he ran the 220 in 22.33 seconds to eradicate the record of 22.5 set by Harry Scott of Newark in 1933.

Earlier in the day Riley tied the 100-yard-dash record made also by Scott of Newark in 1933 by scurrying over the cinders in 10.1 seconds. Riley, star for the Harlow aggregation, also ran anchor man on the winning 880-yard relay team that was clocked in one minute, 33.5 seconds. Campbell, Balding, and Chappelear were other members of the combination. The old record was 33.8, set by Marietta in 1950.

Viney of Chillicothe won the 440 by marking up a pace of 50.3 seconds over Marietta's Hastings and Cambridge's Williams, who ran it in 51.2. Stalnaker of Marietta broke the record of Hartman of Newark by soaring 12 feet, 9 inches over the bar in the pole vault. Hartman's mark was 12 feet.

Haas of Newark won the discus with a toss of 133 feet, 4½ inches; Deeds the shot put, with a hurl of 42 feet, 4 inches. Flowers of the 'Cats took a first in the high jump by leaping 5 feet, 9 inches. Newark was second in the mile relay.

The crown again went to Marietta for the fifth straight time as the Rivertowners earned 85½ points. Newark again was second with 70 counters. Chillicothe earned third place with 37½ digits; Lancaster, fourth, with 19 points; and Cambridge, last, with 10.

MIAMI UNIVERSITY

May 11 and 12—Several members of the Wildcat group journeyed to Oxford, Ohio, to participate in the Miami University Relays. The 880 relay team, composed of Chappelear, Balding, Campbell and Riley, qualified but did not place. Campbell placed fifth in the 180-yard low hurdles. Riley qualified for both the 100 and 220 and took a fourth in the 100-yard dash.

COLUMBUS WEST

May 15—Paul Harlow's thinclads shellacked the Cowboys of Columbus West by winning a dual affair 85 to 33 in Columbus. Riley captured the 100 and 220 dashes. Flowers lassoed the high jump. Buxton and Campbell tied for first in the 120-yard high hurdles, while Buxton captured the 180 lows a shade ahead of Campbell. Haas and Deeds tied in the discus, but Haas made the successful heave of the shot. Steele won the 440. The 880 relay team also won its event. Runnners were Riley, Balding, Chappelear, and Campbell. The mile-relay combination, including Barr, Chappelear, Ridenbaugh, and Steele, also captured its event.

QUALIFYING EVENT

May 25—George Riley qualified to participate in the state finals in the 100-yard dash and the 220-dash. Harlow's 880 relay team of Chappelear, Balding, Campbell, and Riley also qualified. The qualifying events were run off at Delaware, Ohio.

STATE FINALS

May 26—Cincinnati Central Vocational retained its Class A track-field championship by squeezing out Cleveland East Tech, its close second, 27-1/5 to 27. The event was held on the Ohio State University cinder track.

George Riley was eliminated in the semi-finals in the 100-yard and 220-yard dashes. The 880-relay team of Chappelear, Balding, Campbell, and Riley finished sixth of eight teams in the finals.

LANCASTER

April 17—After being rained out on Friday, April 13, in a game with Chillicothe, the Newark hardballers finally got their 1951 season underway when they traveled to Lancaster and downed the Gales 3 to 0. It was a cold, windy day in Lancaster, but the boys weathered the April blasts and turned in a fine exhibition of baseball. Senior pitcher James Quickel was the winning hurler of the contest. He allowed the Golden Gales only two hits and struck out twelve batters. The 'Cats touched Gales pitcher Edwards for three hits and three runs. James Cochlan swung the big bat for Newark as he collected two of the Wildcats' three hits in three appearances at the plate.

April 20—The 'Cats dropped their first game of the '51 season as they fell victim to the Zanesville Blue Devils on the White Field diamond by the score of 10 to 1. The hard-hitting Devils collected nine hits and ten runs off two Newark pitchers, Quickel and Cartnal. The Wildcats played miserable ball as they committed nine errors. The Felines were able to gain only one run and three hits off Zanesville's pitcher Wilson. Foote got the only big hit for Newark, a double in the fourth inning. The losing 'Cat pitcher was the starter, James Quickel.

LANCASTER

April 24 — The Wildcats bounced back to defeat the Golden Gales for the second straight time. The game was a pitcher's duel from beginning to end. Pitcher Waugh of Lancaster pitched a no-hit game, but his wildness caused the 'Cats to collect three unearned runs. The Felines scored one in the second, third, and fifth innings. The Gales managed to collect only one hit off Newark pitcher Quickel, which was a single by Huddle. The Gales collected their two runs in the sixth inning on two walks and an infield error by second baseman Louis Mitchell.

The game was played at Arnold Park.

April 26—The Longmen continued on their winning way at White Field as they dropped the invading Mt. Vernon Yellow Jackets 6 to 3. The Wildcats were slow in starting and allowed Mt. Vernon to obtain one run in the first inning. However, the Felines also tallied to tie the score one-all. The 'Cats were led at bat by James Cochlan with three hits for three trips to the plate. Mitchell and Cochlan both hit triples for the 'Cats. The winning pitcher for Newark was Ronald Foote. McCoy of Mt. Vernon was the loser.

May 1—After a rained-out game the day before, the 'Cats were defeated on the Columbus Central diamond by a strong Marion Harding team in their only tournament play of 1951. The score of the contest was 6 to 1.

The Marion team opened with a terrific first inning, scoring five of their six runs in that frame. The winning pitcher for Marion, James Edington, was also the leading hitter as he collected two hits for three times at bat. Newark collected only three hits in the entire seven innings. These hits were shared by Foote, Koontz, and Funk. The losing pitcher for Newark was James Quickel.

In the course of seven innings Quickel fanned eleven foe batsmen. Third baseman Charles Weaver was the leading hitter for the Feline nine with a triple and a double in three times at the plate. The victory was the Wildcats' third in four starts against C.O.L. teams. The other lads to get extra-base blows for Newark were Mitchell, Foote, and Koontz, each with a double. CAMBRIDGE

May 10—The Wildcats of A. B. Long journeyed to Cambridge to be defeated at the hands of the Bobcats 10 to 4. The Felines were hindered a great deal by the extremely rough surface of the diamond, but held their errors only to two. The 'Cats were able to touch pitcher Sigman for five hits and four runs. Foote, who started the game and was released by Quickel in the second, was the losing pitcher. However, he and Mitchell collected doubles for Newark. A picture catch by Tingle, a bid for a hit by leftfielder Leon Richey, was the defensive highlight of the afternoon. Simpson, Thomas, and Lillienthall led the winners at bat with two hits apiece.

MT. VERNON

May 16—The 'Cats brought their '51 season to an end in Mt. Vernon, as they dropped their final tilt to the Yellow Jackets 8 to 7.

The Wildcats, after trailing 3 to 0 at the end of four innings, scored three runs in the fifth and two in the sixth to tie up the game and then to pull ahead. However, the Jackets came back with two runs in the seventh to make a new game. Both teams were scoreless in the eighth; then, with two outs in the first of the ninth and runners on second and third, Leon Richey drove a double to left-center field, scoring both runners. Nevertheless, the Newark lead was overcome in the last of the ninth as the Jackets collected three runs. Richard Cartnal was the losing pitcher for Newark. Richey was the leading hitter for the Wildcats with a double and two singles in four trips to bat.

COLUMBUS EAST

September 14—After playing a poor first half, the Wildcats, in the season opener, came back to beat the Columbus East Tigers 13 to 7 in a night encounter at White Field. In the early minutes of the ball game East's speedy backs seemed too much for the 'Cat line. The Tigers scored their lone touchdown in the first five minutes of play and led the 'Cats 7 to 0 at the half.

Newark's quarterback Bob Vann started the offense rolling by throwing some beautiful passes to end Ned Nehls. The 'Cats' first touchdown was on a Vann-to-Nehls pass, after Newark recovered an East fumble on the Tiger 13. Tom Balding, who went over from the East 20, scored the winning touchdown. Highlights of both touchdown drives were Vann's passing and the spectacular catching of big Ned Nehls.

COLUMBUS NORTH

September 21—The Wildcats defeated a veteran and highly favored Polar Bear team at Columbus 14 to 0. The 'Cats, avenging last year's defeat, scored early in the game and outplayed the bigger Bears all evening. Quarterback Bob Vann's throwing arm was in perfect form as he completed nine out of fourteen passes, including both touchdowns. The play of Newark's ends was superb, with Nehls and Chapman catching the touchdown passes, and Flowers standing out on defense. The defensive line held the Bears from getting past Newark's 30-yard line. Bob Steele was an outstanding defensive man. On the other hand, Findley Chappelear swept the ends for long gains throughout the game. Both conversions were kicked by Fullback Tom Balding.

CAMBRIDGE

September 28—The Newark High Wildcats rolled over the Cambridge Bobcats at White Field 24 to 6. The Wildcat offense started rolling early in the game, the Felines scoring two touchdowns in the first period. The first six-pointer came on a 30-yard pass from Vann to Balding. Ernie Powell cracked the middle of the Cambridge line and raced 57 yards for the second score. In the third quarter, Chappelear, Newark's speedy halfback, outran the entire Cambridge secondary and raced 66 yards for a touchdown. As the game was ending, Tom Balding kicked a 10-yard field-goal to end the Newark scoring. Balding also kicked three straight extra points. A pass to the Newark one-yard line set up the Bobcats' only score.

MARIETTA

October 5—Playing on a very muddy Marietta field, the Wildcats proved too much for the Tigers as the 'Cats racked up their fourth straight game by the score of 25 to 0. Tom Balding, Newark hard-charging fullback, scored all four of Newark's touchdowns and kicked one extra point. Two touchdowns came as the result of 72- and 69-yard-long drives, but Balding showed his speed for the other two on runs of 21 and 93 yards. The defensive line stood out again for Newark as did the downfield blocking.

ZANESVILLE

October 12 — The Wildcats were knocked out of the undefeated class at White Field, going down to a 14-to-7 defeat at the hands of the Zanesville Blue Devils. The Blue Devils scored both of their touchdowns in the second quarter, and the half ended with Zanesville leading 14 to 0. The Wildcats played good ball in the second half and almost caused an upset. Early in the fourth quarter Vann scored on a quarterback sneak, and Balding kicked the extra point. The 'Cats almost scored again when they got down on the Blue Devils' 15-yard line, but an intercepted pass ruined their chances.

The 'Cats played splendid ball even though plagued with injuries. Landis, Newark's fine center, played with a broken rib. Vann had a painful boil, and Balding and Chappelear both had arm injuries.

This was the school's Homecoming game.

DAYTON FAIRVIEW

October 19—Newark's speedy backs proved too much for Dayton's defense as the Wildcats won their fifth game out of six starts by the score of 27 to 13 at White Field. Findley Chappelear, Newark's outstanding halfback, scored three touchdowns on runs of 20 yards, 20 yards, and 52 yards. The 'Cats' fifth score came when speedy Tom Balding raced 63 yards to pay-dirt. Balding kicked three conversions. Newark's linemen, led by Landis and Bradley, line-backers, stood out on defense.

LANCASTER

October 26 — The Wildcats went down to their second defeat of the season at the hands of the Lancaster Golden Gales at White Field. The 'Cats were highly favored to win, but the Newark line couldn't spring the speedy backs loose. Newark's only touchdown came early in the game when Eddie Bradley scored on an end sweep. A couple of nice runs by Ernie and Norman Powell had brought the ball into scoring position. Balding kicked the extra point. Monte Landis, Newark's prospective All-Ohio center, suffered a broken leg in the game. For two years Landis has done a tremendous job at the center post and was one of the best line-backers in the league.

CHILLICOTHE

November 9—The Wildcats had to rally for two touchdowns in the last quarter to beat the Cavaliers 18 to 7 at Chillicothe. It was a hard-fought game all the way with the Cavaliers leading at half-time 7 to 6. In the early minutes of the game Balding skirted right end to score from the Cavaliers' 6-yard line. In the fourth quarter Vann scored on a quarterback sneak after a Cavalier fumble was recovered by Campolo on Newark's 46-yard line. A 32-yard pass from Vann to Nehls sparked this touchdown drive. Balding broke away for an 80-yard touchdown run in the fading minutes of the ball game to finish the scoring.

COSHOCTON

November 13—The Wildcats, with seventeen boys playing their last high-school game, beat the Coshocton Redskins 27 to 7 in the rain and mud at White Field. The downpour failed to stop the accurate passing of quarterback Vann or the fine catching of end Nehls. Halfback Bradley set the scoring pace by scoring three touchdowns, the first on a 44-yard run, the next on a 5-yard end run, and his last by catching a 33-yard pass from Vann. Vann scored the other touchdown on a quarterback sneak. Balding kicked three conversions.

This game had been postponed from November 2 because of a blinding snowstorm on the evening of that date.

Football Summation

The Newark High School Wildcats along with the Zanesville Blue Devils were pre-season favorites for the Central Ohio League championship. On October 12, these two undefeated elevens clashed at White Field for what proved to be the championship game. Zanesville, winning, went on to be undefeated and ranked fifth in the state. The 'Cats with a record of five wins and two set-backs in league play tied for second place with Cambridge. Their record for the year was seven wins, two losses.

Newark opened their practice on August 20 and played their first practice game on August 31 against Columbus Grandview, winning 33 to 0. On September 4 the 'Cats trimmed Columbus West 19 to 12, and on the following day won from Columbus South 26 to 12.

The regular scheduled game with Coshocton was November 2, but because of a 2-inch blanket of snow covering the field at game time the officials wisely agreed to postpone in order to prevent injuries. The game was re-scheduled November 13.

Seniors leaving the squad were Guards Conrad Blowers, Tom Jones, Gene Campolo, Jim Keinath; Tackles John Moore, Ronald Shockley, Ronald Harris; Ends Ned Nehls, Jim Cromer; Quarterbacks Bob Vann, Bob McCaig; Fullbacks Tom Balding, Ernie Powell; Halfbacks Findley Chappelear, Norman Powell, Eddie Bradley.

In post-season honors Newark was well represented. On the all-C. O. L. offensive eleven were Monte Landis, center, Ned Nehls and John Moore, tackles, and Findley Chappelear, halfback. Bob Vann, quarterback, was placed on the defensive team. Given positions of honorable mention were Don Flowers, Bob Chapman, ends; Bob Steele, John Fields, tackles; Gene Campolo, guard; Eddie Bradley and Tom Balding, backs. Monte Landis and John Moore were seletced by the Junior Chamber of Commerce as two of twenty-four top high-school football players. They were honored at a banquet in Columbus on December 15, 1951. End Ned Nehls was selected to participate in the North-South football game which will be played in Akron. Ned was also given a third-team berth in the **First and Ten Magazine.**

Selected for all-Ohio honors were Ned Nehls, first team defensive end, John Moore, second team offensive guard, and Monte Landis, honorable mention center.

The 1951 football season found Newark with a better-than-average team. They were rated among the state's top teams, reaching as high as fifteenth in the standings at one time. However, this year, the 'Cats were plagued with a lack of attendance. Newark had all of their top games at home, but the attendance still did not meet the standards of former years. There was definitely a lack of spirit among both the adults and the students. It is the student's responsibility to go to the ball games and support his team. The cheer-leaders constantly had a hard time getting students to cheer. Many wondered where the school spirit that Newark followers in the past have always had had gone.

On January 22, 1952, Paul B. Edwards, superintendent of schools, announced the resignation of Head Coach Ray Schick. Mr. Schick left the system to go into industry. At a meeting in February of the Board of Education, Joseph Carlo was appointed to fill the position vacated by Mr. Schick.

ZANESVILLE

December 7—The Wildcats rallied in the last quarter to win their Central Ohio League opener at Zanesville 57 to 49. The game was thrilling but very ragged with a total of 52 personal fouls being called. Four of Newark's starters fouled out, and it was the second-stringers who had to stop Zanesville's rally. This was a very important win for the 'Cats and an early major step toward the C.O.L. championship. The top scorers for the Wildcats were McPeek and Deeds with 11 and 10 points respectively.

They played a fine floor game and looked good on defense. Center Deeds and forward Mitchell sparked the Newark attack with 23 and 18 points respectively.

December 28—Lancaster couldn't do much against the 'Cats' smooth-working cagers as Newark completely walloped them 71 to 40 in the Newark gymnasium. The Wildcats had a 9-to-0 lead before Lancaster could get a point and continued to widen the score as the game went on. Deeds, Mitchell, and Horky wrecked the Gales by scoring 55 points among them. MARIETTA

January 10—Newark was never behind as they won their ninth straight game against Marietta 53 to 37 here at Newark. The game was fast and very roughly played. This was Newark's sixth C.O.L. win. The team is currently tied with Cambridge for the league leadership. Dick Horky was the standout for the Wildcats, scoring 17 points, while Mitchell was next with 10.

CAMBRIDGE

January 11—The Wildcats chalked up their tenth straight win and took over the leadership of the C.O.L. by defeating Cambridge 49 to 42 in the Wildcat gym. Cambridge had previously been unbeaten, but the 'Cats outclassed them all the way and were never behind. MT. VERNON

January 22—The Wildcats ventured to Mount Vernon to play a non-league game with their old rivals, the Yellow Jackets, and came home with a 63-to-41 victory. The 'Cats made a total of 31 field goals in 54 shots to post a brilliant shooting average of 57 per cent. The 'Cats started slowly but poured on in the third and fourth quarters with Deeds and Horky leading the scoring with 16 and 15 points respectively.

MARIETTA

January 25—After trailing three quarters, the 'Cats again came from behind to win at Marietta by a score of 43 to 40. Marietta held a nine-point lead in the third period, but the cool, steady playing of the Wildcats soon wore down the Tigers' "control" playing. Newark's individual scoring was headed by Mitchell with 11 and McPeek with 10.

COSHOCTON

February 2—The 'Cats notched their 14th straight win by scalping the Redskins 75 to 39 here in the Newark Senior High gymnasium. The Wildcats shot 58 times from the field, hitting for 29 field goals or a 50 per

cent shooting average. The Redskins lacked height and the 'Cats' teamwork along with clever passing completely outclassed them. Charlie Deeds and Earp Mitchell paced the 'Cats' attack with 26 and 20 points respectively.

MT. VERNON

February 5—The sharp-shooting Mt. Vernon Yellow Jackets handed the Wildcats their first loss in 15 starts by the score of 46 to 44. The accurate long shots of the Jackets tore Newark's zone-defense apart. The 'Cats rallied for nine straight points in the fading seconds, but time ran out. Weaver kept Newark in the ball game by scoring 16 points on 6 field goals and three foul shots.

LANCASTER

February 9—Newark bounced back into the win column at Lancaster by defeating the Golden Gales 48 to 40. The Gales were very much in the game during the first half, but a third-quarter rally cemented the game for 'Cats. Newark played a good rebound game off both bankboards, but their marksmanship was a bit off as they collected only 16 fielders in 56 shots. Leading the Newark onrush was Mitchell with 15 points and McPeek with 12.

CHILLICOTHE

February 15—The Wildcats scored 30 points in the third quarter to ice their twelfth straight C.O.L. league victory at Chillicothe. In winning 75 to 51 the 'Cats hit on 50.8 per cent of their shots. The Cavaliers dominated the bankboards and held a lead most of the first half, but the 'Cats started hitting from all sides and turned the game into a rout. All five starters entered the double figures in the scoring column. Deeds and Mitchell got 18 and 17 points respectively.

DOVER

February 16—The 'Cats cinched at least a share of the C.O.L. league crown by defeating the Crimson Tornados 46 to 34. Dover led at the half by one point, but the Wildcats tightened their defense and held Dover to 11 points only in the last half. Mitchell was the top scorer with 14 points.

Dover	11	23	29	34

BEXLEY

February 19—The Wildcats turned back the Bexley Lions in the senior high gym by the score of 57 to 41 for their 18th victory. Bexley, the Central Buckeye league champions, gave Newark a good battle throughout the game. The 'Cats played without the services of Earp Mitchell, their high scoring forward, who had influenza. A scoring spree in the fourth quarter led by Deeds cinched the game for the Wildcats. Horky with 14 points and Deeds with 15 were Newark's leading scorers.

Newark	15	22	41	57
Bexley	11	18	30	41

CAMBRIDGE

February 22—The Bobcats from Cambridge proved too much for the Wildcats as the 'Cats went down to their second defeat in 20 starts by the score of 53 to 41. Cambridge's small playing floor along with the Bobcat's backcourt press hindered the 'Cats throughout the game, causing them to throw many bad passes. The win for the Bobcats cast the C.O.L. league in a tie, with Newark and Cambridge sharing the championship with each having a record of 13 wins and 1 defeat. Wayne McPeek paced the Newark attack with 12 markers and Mitchell had nine before fouling out.

This colorful group of girls can always be counted on to give spirit to the crowds no matter what the circumstances are. The varsity cheerleaders are composed of junior and senior girls while the reserve cheerleaders are made up of sophomore girls.

To be a cheerleader the girls must meet certain qualifications. They are the ability in the act of cheerleading, popularity with the student body, a pleasing personality, a democratic attitude, and proper conduct at all times.

These girls are selected by Miss Florence Myer, girls' physical-education teacher, and are under her supervision.

The Newark High School Reserve Football team met with stiff opposition this year to win only one game in five starts, to play one scoreless tie, and to lose three, two by one point. Their one winning contest was with Grandview.

Scores for the season were as follows: Newark 6, Columbus West 7; Newark 12, Upper Arlington 13; Newark 6, Summit Station 26; Newark 0, Lancaster 0; Newark 13, Grandview 6.

Managers for the Reserves were Richard Wilson, Elton Watson, and Neil O'Brien. Pete Weidemaier and Bill Olmstead coached the sophomore aggregation.

RESERVE BASKETBALL

Row 1—Robert Cain, William Butler, Lee Slaughter, Roger Matthews, Eugene Helmick. Row 2—Joseph Bending, Frank Tomlinson, Roosevelt Crumpton, Marvin Smith, Larry Claggett, Philip Wilkins.

This year's reserve team ended the season with 18 wins and one loss. Their loss was to a team consisting of students not on the varsity or reserve teams. Their wins were over such reserve teams as Zanesville and Cambridge. The team was gifted with both speed and height. The top scorer for the season was William Butler with a total of 237 points for 19 games. He averaged 12 points a game.

These sophomores plus the varsity men who return next year should combine to make a powerful team.

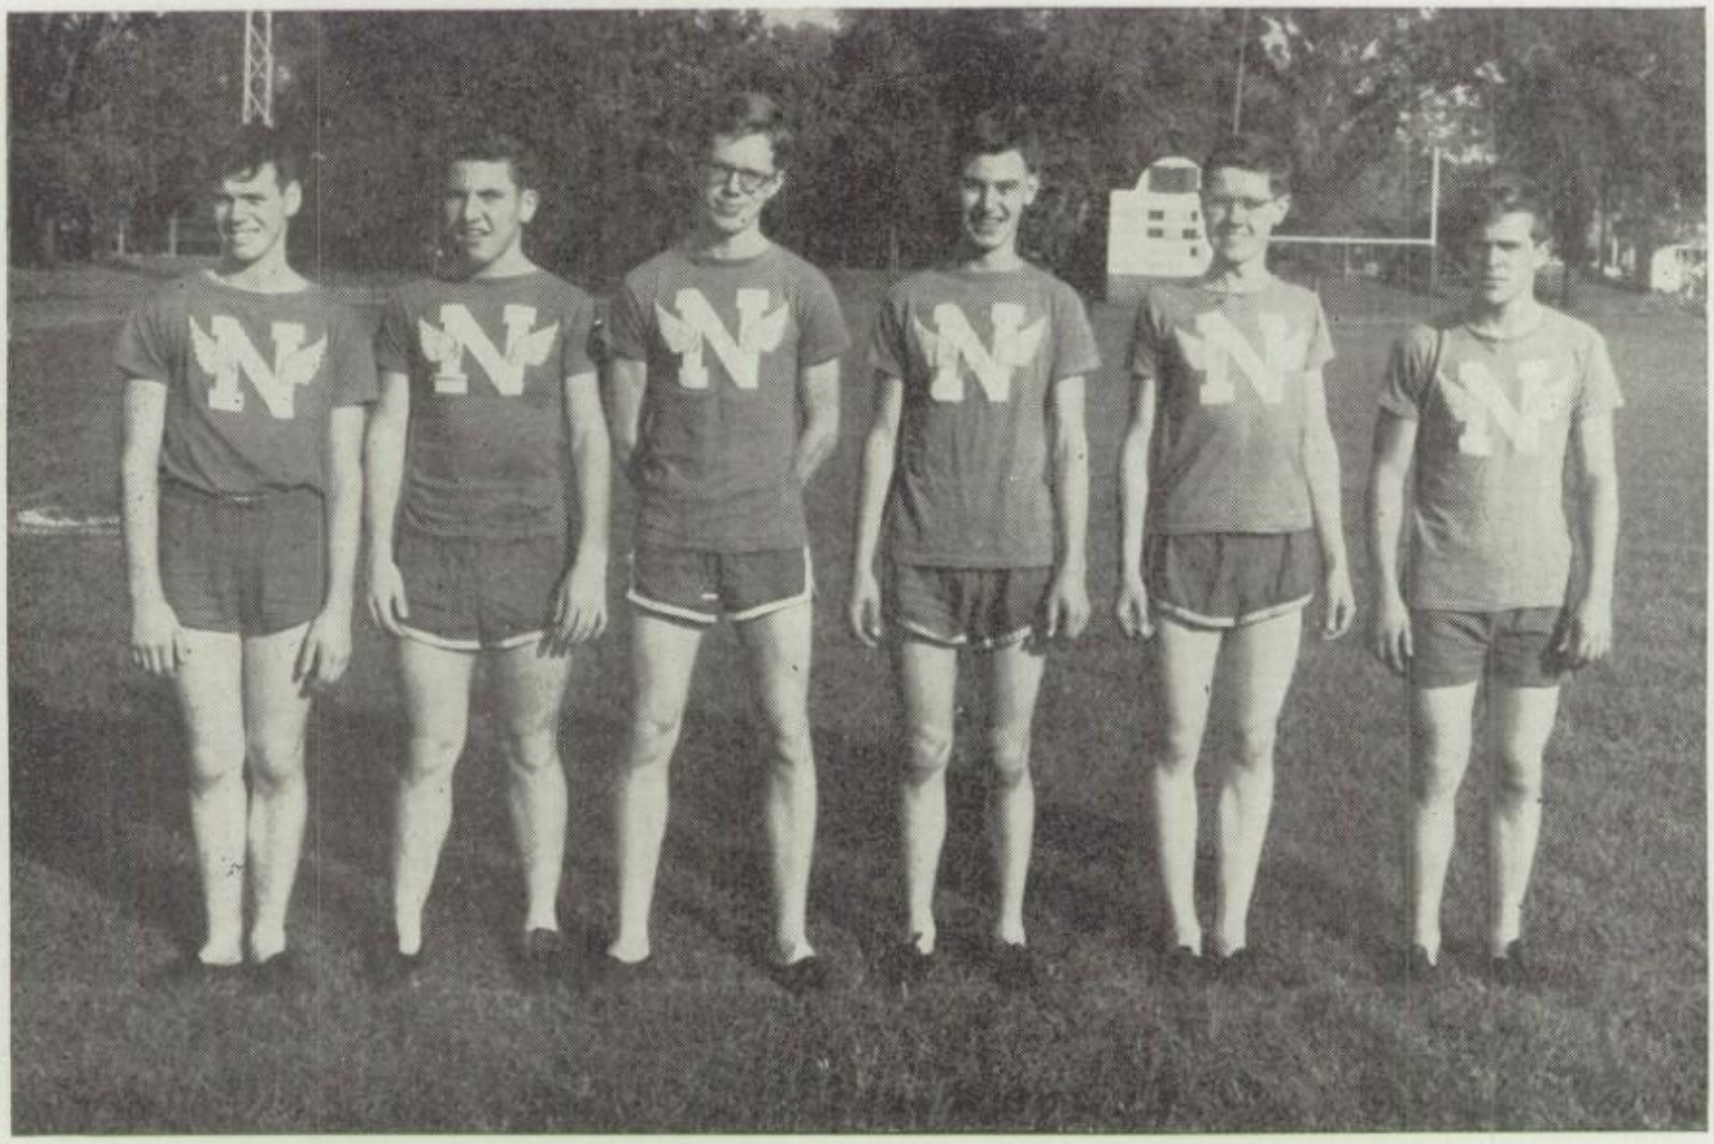
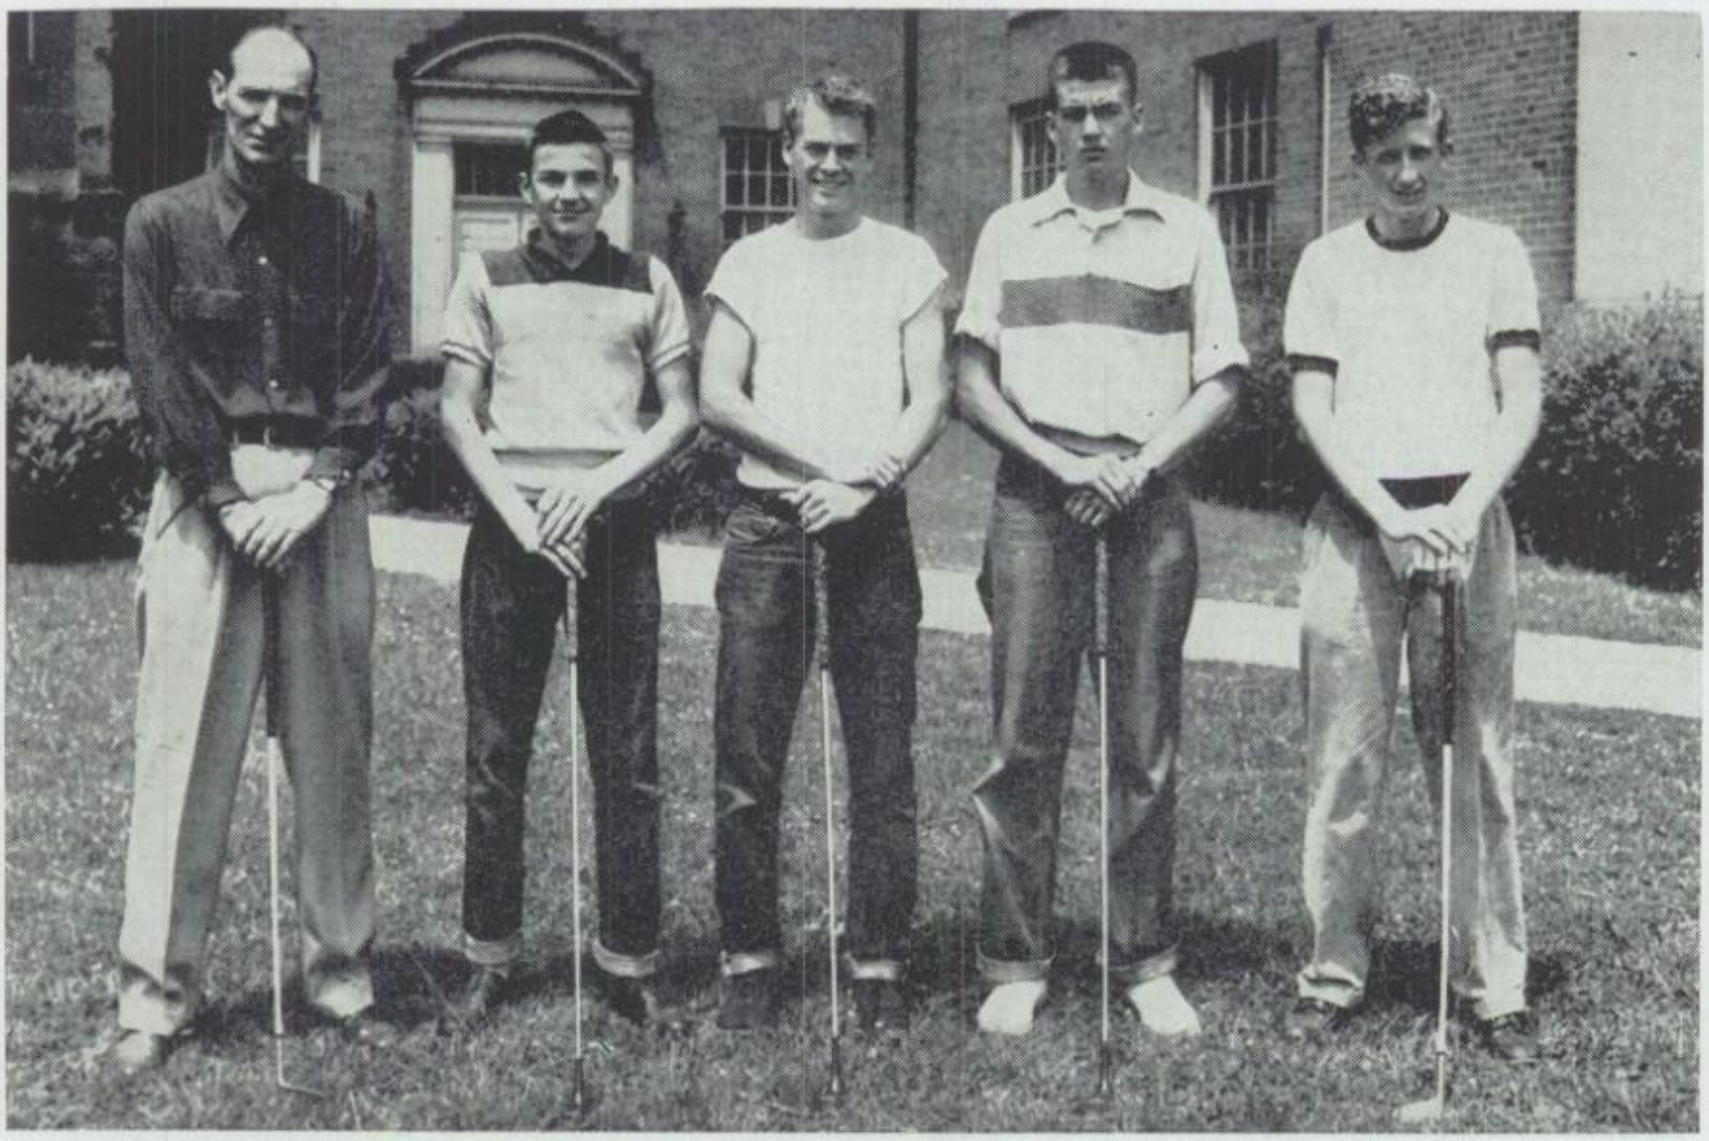
CROSS COUNTRY



Dean Freeman, James Lewis, Frank Beatty, Harvey Lescalleet, Bert Moore, Franklin Shibler.

Cross Country drew a blank this year because of a mix-up at the commencement of the season. Paul Harlow, coach of the activity, cancelled the schedule because no one showed up for the team. After the cancellation, seven boys reported. The result was that participants ran only in the district meet. Out of nine teams in this meet Newark took a sixth. The event took place on the Beacon Light Golf Course, Columbus, on October 27, 1951. Marion won the meet; Worthington was runner-up.

1951 GOLF SEASON



Max Douglas, James Morgan, Richard Saylor, Ronald Helman, James Rice.

On April 18, 1951, Max Douglas's golfers opened their season at Moundbuilders Country Club by defeating the Granville Blue Aces 9½ to 1½. The Douglasmen defeated the Blue Aces in another contest 6 to 2. Two other nine-hole matches with the college town were not recorded. Other contests during the months of April and May were as follows: Newark 7, Zanesville 5; Newark 6, Zanesville 6; Newark 5, Mt. Vernon 11; Newark 7, Mt. Vernon 9; Newark 6½, Bexley 9½; Newark 6, Bexley 10.

Players on the Wildcat squad for the spring season of 1951 were Ronald Helman, Richard Saylor, Donald Shoemaker, James Morgan, and James Rice.

During the football season, boys desiring to try out for basketball, track, or baseball were called together in order to acquire a good physical condition. As usual the activity was under the direction of Maxwell Kipp Douglas, head basketball coach. And as in the past several years the group met four nights a week for six weeks at Everett's Field. However, a smaller group participated in play this year.

The fundamentals of the game involve the rules of basketball, football, soccer, and hockey. Each team consists of eleven players. By active participation the boys condition themselves for other sports.

TRACK SUMMATION

Bettering its record over 1950, the 1951 cindermen of Newark High School won three of its four dual meets. The team bested Lancaster twice and Columbus West while it dropped its opener to the powerful Columbus Central aggregation. The 'Cats took a fourth in the Newark Relays and a second in the C.O.L. meet. No one qualified this year for the Mansfield Relays. At the Uhrichsville Relays, George Riley set a new record in the 100-yard dash. He also broke records in the C.O.L. meet set by Scott of Newark in 1933. These new records were made in the 100-yard dash and the 220. The 880-yard relay team of Riley, Campbell, Balding, and Chappelear also set a new record for the C.O.L.

Boys who graduated in June of 1951 were Larry Campbell, Leland Ridenbaugh, Gerald Spiker, George Riley, John Orr, Donald Swartz, Paul Haas, Richard Harris, and Jeremiah Steele.

BASKETBALL SUMMATION

Newark High School can well be proud of this year's fine basketball team. Ending the season with twenty-one wins and only two defeats, the 'Cats were regarded as one of the major powerhouses of the state. In the final standings of the Associated Press Poll, Newark was ranked in fifth place among all class-A teams in the state. Their coach, Max Douglas, attributed the team's excellent record to high team spirit and a strong will to win.

Douglas used the same five boys to start all the ball games. They were Wayne McPeek and Louis Mitchell at forward positions, Charles Deeds at center, Charles Weaver and Richard Horky at guard positions.

The Wildcats were co-champions of the Central Ohio League. They led the league until the last game of the season when they were defeated by Cambridge, who had previously been beaten only by Newark. This threw the league into a tie with both Newark and Cambridge having a record of thirteen wins and one defeat. This was the first championship for the Cambridge school in twenty-two years.

There Is Still The Need For
A NEW AND BETTER "MOUSETRAP"

To many high school graduates, the world into which they step will be filled with conflict, confusion, corruption, and the popular desire of many people to get something for nothing. There is a growing tendency to "let the government do it for us," and we see attempts to discredit private enterprise and individual initiative.

° ° °

As an industrial corporation founded and developed under the American way of life, we would remind you that the basic principles of honesty, job pride, thrift, self-improvement, and just plain hard work have rewarded the people of this country with the highest standard of living existing today. To maintain this position, we must continue to believe in, and live by these principles.

° ° °

An imperfect world now offers you unlimited opportunities to challenge you to do your best as you go forward. Remember—we still need new and better "mousetraps" in industry, agriculture, business, education, religion, and government. If you produce them, "they will beat a path to your door."

° ° °

We extend to you and to those graduating with you our best wishes for a happy and successful life as you enter the business world, or continue your education.

OWENS-CORNING
FIBERGLAS

The 'Cats were blessed this year with extremely tall players. Charles Weaver was the only 'Cat on the entire squad under six feet tall. Chalmers Stoneburner, 6 feet 6 inches tall, and Charles Deeds 6 feet 5 inches tall, were the biggest 'Cats. Because of this height advantage, Douglas perfected a zone defense that, for the most part, completely bottled up opponents. The 'Cats' defense record was second best in the league, holding their rivals to only 545 points.

On February 26, the 'Cats opened their tournament play by meeting the Columbus West Cowboys. They got off to a very poor start and had to call on Bob Chapman and Chalmers Stoneburner, both second-team players, to pull them out of the slump. The spectacular play of these two cut down a West lead that amounted once to twelve points. Wayne McPeek was the scoring star with 13 points. The final score was 'Cats 54, Cowboys 40.

The first street engines, called automobiles, appeared upon the public streets of Newark in the 1890's. They were owned by Dr. D. M. Smith and Dr. O. P. Sook.

Two nights later the 'Cats again had to rally to defeat Columbus St. Charles 51 to 37. They wrapped up the decision in the third quarter, scoring 18 points to the Cardinal's six. Bob Chapman and Wayne McPeek again sparked the 'Cats' attack with 11 and 17 points respectively.

Going into the semi-finals of the district tournament, the 'Cats were favored to defeat Columbus North, but the Polar Bears had other ideas. Newark led throughout the game, but a fourth-quarter rally and a North basket in the last minute and twenty seconds spelled defeat for the 'Cats. Louis Mitchell played an outstanding game for the 'Cats, scoring 14 points. In an earlier game the same evening, Columbus Aquinas upset the state champion Columbus East 23 to 21 in an overtime game.

Seniors on this year's squad were Charles Deeds, Wayne McPeek, and Charles Weaver. Louis Mitchell was a junior this year, but he will be ineligible to play next year because he attended Kiski prep school in his freshman year, thereby losing a year upon his return and using up his four years of high-school athletic eligibility by the end of the current school year.
